

INCOMPLETE (I) vs. MEDICAL (M)

QUICK COMPARISON

CATEGORY	INCOMPLETE (I)	MEDICAL (M)
 PURPOSE	Additional time after 10+ consecutive excused absences	Documented medical condition prevents or substantially limits completion of work
 DOCUMENTATION	Attendance/academic review	Doctor or mental health professional documentation
 TIMELINE	Usually up to 20 school days	No fixed timeline; based on recovery and completion of essential work
 EXTRACURRICULARS	No restriction in this policy	Not permitted during Medical period

DECISION-MAKING FLOWCHART

IMPORTANT NOTES:

- All decisions should be documented and communicated with the student and family.
- Teachers and administrators should collaborate to determine the most appropriate designation.
