| STUDENT CHARGES (BORROWING/GRACE PERIOD)<br>Students may charge <u>meals</u> up to the value of two breakfasts and two lunches (\$11.00 for Junior High). An automated phone call occurs when a negative balance appears on a student's account. If a student account exhausts the grace period/charge limit, the student must select a peanut butter and jelly or toasted cheese sandwich entree for lunch and/or a cereal entrée for breakfast until the negative balance is paid. A la Carte items are <u>not</u> available for charging.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                                                                                           |                                                                                                                            |                                                                                                      |                                                                                                |                             |
