Dear Parent/Guardian,

Schools receive certain federal and state funding (learning assistance programs, teacher incentives, etc.) based on the number of children from households that are at certain income levels or receive specific benefits. Completing this survey will ensure that our district receives the funding we are entitled to, enabling our children to continue receiving services funded by these federal and state programs.

Please be aware that we will only submit these mandatory district statistics to the Pennsylvania Department of Education for use in determining our school budget.

This vital form is required to be completed and returned for every student in the district. Please contact your building principal if you have any questions,

Best Regards,

Dr. Keith E. Gunuskey, Superintendent
