

LEGACY CHARTER SCHOOL

Parent Involvement & Information:

Contact Information: Please remember if any of your contact information changes during the year, especially your nighttime residence, please let the school office know so that our records are always up to date.

School Report Card: If you're new to the school, or you've not yet taken the opportunity to review, every school in Idaho receives an Annual Report Card from Idaho's State Department of Education that shares academic and non-academic outcomes for every school and district in Idaho. The School Report Card can be found on the school's website homepage, or at www.idahoschools.org. [Please note: You'll see comparisons between school and district outcomes. Since our school is its own district, the comparisons will be identical. To compare our school with surrounding schools and districts, just type in the name of the school or district with which you're comparing in the www.idahoschools.org search bar.]

School information provided in another language: If a parent or guardian in the home needs school information translated into another language, please contact the school office so that we may be of assistance.

Supports for families in need: The website, www.findhelpidaho.org, helps those needing to connect to various supports in our community. Financial assistance, food pantries, medical care, and other free or reduced cost help can be accessed by visiting and entering your zip code.

Idaho's Homelessness response system: Idaho has a standardized approach to homelessness response to address the needs of those experiencing a housing crisis or housing insecurity, to help them gain access to programs & services, and to ensure those experiencing or at risk of homelessness that are seeking long-term housing solutions have consistent access to housing resources. In particular, individuals in need of housing assistance have one, regional access point to work with -- for the Nampa area this is the Salvation Army, [403 12th Ave S, Nampa](#), [208-467-6586](tel:2084676586). Those in need of immediate shelter should continue to access emergency shelters, such as Nampa's Valley Women & Children's Shelter, 208-475-0725. The school's homeless liaison, Mrs. O'Donahue, is also available to assist in sharing & coordinating these resources. Contact the school office if you're in need of such assistance.

Title IA/Youth-in-Transition Parent Meeting: During the Fall Annual Open House on August 27 at 6 pm we held the annual Title IA/Youth-in-Transition parent meeting. The information shared at the meeting has been provided the past couple of weeks in the Friday newsletter and will continue in coming weeks. The information can also be found on the schools' website under the Annual Parent Notices tab.
