Medical Devices and Aids

Epinephrine auto-injectors (e.g., EpiPens) are permitted in the testing room without the need for approved accommodations. They must be placed in a clear bag and stored under the student's desk during testing.

Service animals are allowed under certain circumstances. See Service Animals and Emotional Support Animals on page 18 of the [Proctor Manual](#) to learn more.

Additional Guidance

Hooded shirts may be worn but hoods must be down during testing. Brimmed caps can be brought into the testing room but must be put away, not worn, during testing.
