Seacrest Country Day School celebrates the generosity of each of our donors who supports our students with a philanthropic gift during the school year. We are grateful to our donors for their contribution!

As an independent school, we depend on donations to **The Seacrest Fund** to close the gap between tuition and operating costs and to support virtually every area of school life including the arts, music, theater, athletics, science, student passion projects and programs, classroom supplies, class plays, special events, and tuition assistance. Contributions range from $10 to $100,000 and are from current parents as well as faculty and staff, board members, past parents, grandparents, alumni, businesses, corporate matches to employee contributions, and family foundations. Donations can be made at one time or on a monthly basis. No gift is too small, and every gift counts.
