

Policy Type: Results**Result 1: Academic Excellence**

As a system of public schools, our central charge is to ensure that learners develop the skills and knowledge necessary to compete in and contribute to both the workforce and society. We are equally committed to ensuring that learners develop a love of learning that they will carry beyond graduation throughout their lives, and a sense of pride and accomplishment in their work.

Success Metrics:

- % of students meeting grade level ELA proficiency benchmark in grades 3-8, 10.
- % of students meeting grade-level Math proficiency benchmark in grades 3-8, 10.
- % of students who have achieved proficiency in District Prioritized Standards in ELA and math courses.
- % of students graduating in four years.
- % of Student Graduating Choice Ready.
- Increase the number of students completing high-quality, credit-bearing Work-Based Learning experiences aligned to regional workforce needs.
