From the Principal's Desk

Dear Northwood Families,

Welcome to a new school year! We are excited to open our doors, welcome our students back, and get started. The building has been far too quiet without them. We have missed their energy, their personalities, their laughter, and yes, even a little bit of the middle school chaos.

At Northwood, we want every student to know one thing from the moment they walk through our doors: You belong at Northwood. Last year, our student survey told us something we are incredibly proud of. Nearly every student reported having a trusted adult at Northwood. That matters. Our students need to know there is someone here who knows them, cares about them, and will support them. We are committed to making sure that continues this year.

Finally, we could not begin this year without recognizing our Husky families. This August, we watched our community step up to support families throughout the Spokane area who were impacted by the fires. We are incredibly proud of the generosity and care shown by our Northwood community. That is what makes this place special. We take care of each other.

And that support goes both ways. If your family needs help this year, please ask. We are here.

We cannot wait to see our Huskies and begin another great year together.

You belong at Northwood!

Rick Pelkie
Northwood Principal

WE ARE HIRING!

If you are ready to make a difference and earn money while working with an incredible community, we want to hear from you!

SAFETY IS A PRIORITY

We have noticed that we have had an uptick in the use of motorized bikes and scooters by students on and around our campus. We are very concerned about the safety of our students as they move through our parking lot and on sidewalks. Therefore, we ask that students walk their wheeled modes of transportation (bikes, e-bikes, e-scooters, scooters, skateboards, etc.) when they get to campus and leave campus. At this time, dirt bikes are not allowed on campus.
