Message from the Principal

August 2026

Dear Peralta Families,

It is with great excitement, gratitude, and anticipation that I welcome you to an exciting new year at Peralta Elementary School! Our entire Peralta team is committed to providing a rigorous, arts-integrated academic program in an inclusive and safe environment that prepares our students to be responsible citizens. Please take the time to read this handbook to become familiar with our school's procedures, rules, and schedules. Our handbook is being sent electronically this year and it is also downloadable from our website: <https://www.peraltaschool.org/>. Printed copies are available for those who need them, please visit the school office to request a hard copy.

Throughout the year, children will bring home lots of work and news from their days at school. Ask your child what they learned at school and review their schoolwork regularly. Take time every day to read to your child or have them read to you. You are your child's first teacher, and your involvement in your child's learning will make a positive difference.

Peralta Elementary has a very active parent community. Your time and energy are greatly appreciated. The easiest way to get involved is to connect with the PPTG and to stay informed via the PPTG newsletter and Konstella messages. Make sure we always have your current email address! Also, our teachers love to have parent volunteers, so contact your child's teacher if you'd like to help.

We look forward to seeing you at **Back to School Night Grades TK-5** - Thursday, August 19, 6:00-7:30 p.m., in classrooms **This information night is for parents only.** Teachers will be presenting about their grade-level programs. My staff and I want to work with you as partners to ensure the best education for your child. If you have any questions, concerns, or needs, please contact us.

I'm so excited to be your principal. It's going to be a great year!

Sincerely,

Gillian Bowley
Principal, Peralta Elementary School

SCHOOL DESCRIPTION

Peralta Elementary, a small North Oakland school, is a California Distinguished School and a National Blue Ribbon Award School. We are committed to providing our community with an integrated art learning focus. At Peralta, all children learn in an environment celebratory of their differences, rigorous in complexity, challenging, and joyful. Through arts and gardening, student thinking, creativity, and leadership are encouraged and evident in our child-centered campus. Peralta takes pride in our strong sense of community among staff, students, families, and the Oakland community.

SCHOOL MISSION AND VISION

The Peralta School Community works collaboratively to maintain the highest standards for ourselves as we support our individual and collective growth through an integrated arts habits of mind approach to teaching and learning. Peralta is our name and learning is our game!

We believe that integrated art learning experiences offer all children a rich learning environment celebratory of differences, rigorous in complexity, and joyful. We create curricula and learning experiences that meet the range of all students' needs, build student's voices, enhance self-esteem and confidence, and develop a problem-solving can-do learner stance. We use art integration to develop intellectual character, deepen subject matter understanding, and help students invest in their world. Our work challenges students to become metacognitive, independent learners who embrace a growth mindset while developing 21st-century skills.

School Plan for Student Achievement (SPSA)

LCAP Goal 1: All students graduate college, career, and community-ready.

By May 2027, we will increase the performance of K-5 students in ELA and Math by the following metrics:

- Minimum of 5% increase in %students on grade level in iReady ELA and Math from EOY to EOY
- Minimum of 5% increase in % students meeting their stretch and growth targets in iReady ELA and Math from EOY to EOY
- Decrease distance from standard SBAC ELA and Math 3rd-5th grade by minimum of 10pp

LCAP Goal 2: Within three years Focal student groups demonstrate accelerated growth to close our equity gap.

By May of 2027

- Black/AA students will increase the % of students on grade level in i-Ready ELA and Math by 10% from EOY to EOY
- students with IEPs will increase the % of students on grade level in i-Ready ELA and Math by 10% from EOY to EOY
- ELLs will increase the % of students on grade level in i-Ready ELA and Math by 10% from EOY to EOY

LCAP Goal 3: Students and families are welcomed, safe, healthy, and engaged.

1. Increase positive attendance by 1%, and reduce chronic absenteeism by 3%
2. An annual suspension rate below 2%

LCAP Goal 4: Our staff are high quality, stable, and reflective of Oakland's rich diversity.

By May 2027, we will increase access to a strong system of support for new teachers by providing weekly coaching, offering ongoing, differentiated PD focused on common areas of need, increasing engagement in OUSD's credentialing support and progress monitoring systems, and supporting new teacher wellness and stress management. Evidence of progress will be seen in new teacher coaching logs, PD attendance and feedback, teacher movement on the credentialing path, and annual new teacher survey data.

[OUSD Enrollment](#)

(Click Here)

All parents must enroll their children through [Enrollwise](#). Students are assigned a school based on: neighborhood, siblings, and current openings. The principal of Peralta and the attendance clerk do not have the authority to change school placement. New students must be in AERIES and assigned to Peralta before Ms. Asha can assign your child to a classroom.

Classroom Assignments

Students are assigned to classes in an attempt to balance classes and maximize learning for all. Our teachers and staff take a very thoughtful approach to creating student placements. Grade-level teams work diligently to make sure all factors have been considered to ensure that all classrooms are balanced and there is an optimal environment for both students and teachers. While we understand that parents may feel the need to request their child be placed in certain classrooms or away from other students, we cannot guarantee the requests will be honored. The Principal will not change a student's placement once the classroom assignments are finalized. All classroom assignments will be finalized the Friday before school starts and will be posted via Konstella that same weekend.

Arrival and Dismissal

The school campus is open at 8:20. No child should be dropped off and made to wait outside before 8:20. Peralta Safety Patrol will aid pedestrians crossing the street at the Dana St. entrance. If arriving by car, please use the drop-off zone on Dana St. Safety patrol students will open the car door to allow students to exit safely and allow the car to move through the drop-off zone quickly. Please follow all directions from our Safety Patrol and Coordinator. School is dismissed at 2:45 each day except Wednesdays and Minimum Days when they are dismissed at 1:30 PM.

Do not drop off students on 63rd St. Do not double park, or block parking lots or driveways. There is no on-campus parking. The Peralta parking lot is reserved for Peralta staff members only. If you enter on North Street, please walk your child in. Do not drive down North and/or park near school. No double parking. We must be considerate of our neighbors.

Please allow sufficient time each morning for dressing and other routines to permit your child to arrive on time feeling relaxed and secure. Breakfast in the classroom is available for all students each morning from 8:30 AM -10:00 PM

There is no adult supervision in the yard from 8:00 AM - 8:20 AM. If you MUST arrive at school before 8:20 AM, you must supervise your child. Please do not allow your child to play on the play structures or to use the playground equipment. This is not a recess.

Bicycles, Skateboards and Scooters

Students arriving at school on bikes, skateboards, or scooters, may not ride them on campus. Bikes and scooters must be stored and locked near the large emergency container near portable A. Skateboards can be stored in the student's classroom with the teacher's permission.

Permit to Leave School

If your student needs to leave early, they must be signed out in the front office. Please notify the teacher in advance that your child will be leaving early. No parent or guardian or visitor is permitted on the campus without a visitor's badge – if a student needs to be picked up early, we will call the classroom from the front office and your child will meet you in the office. Please let the office know in advance if the person picking up your child is not a parent. We will not release the student unless the adult is on the student's emergency contact list in AERIES.

We encourage students who are walking home from school to be accompanied by a parent or a trusted adult. Students should also walk in groups or with another student. We do not recommend students walk home alone. **No Uber or LYFT:** According to ride share policy all minors should be accompanied by an adult when riding Uber or LYFT. The office staff will not release a student to a ride share unless an adult is accompanying them, [\(See Uber Community Guidelines\)](#)

OUSD Attendance Policy

As required by State law and OUSD board policy 5113, “all students must attend school regularly...parents/guardians of children aged 6-18 are obligated to send their children to school unless otherwise provided by law.”

Excused Absences (California Education Code 48260)

- Under state law, student absences are excused only for health reasons: illness, quarantine, medical treatment or appointments, family emergencies (e.g. funeral services of an immediate family member), jury duty, serving on a precinct board for an election, spend time under certain circumstances with an immediate family member who is on active duty in the uniformed services, to attend the student’s naturalization ceremony to become a U.S. citizen and certain justifiable personal reasons (for more information see Education Code section 48205.) When possible, please make all medical appointments during non-school hours or days.

- **When your child is absent for any amount of time, you must send your child back to school with a written note.** The note must include: (1) your child’s name; (2) the day/s and date/s of the absences; (3) the reason for the absence; (4) parent/guardian signature; and (5) your home, work and/or cell phone numbers. You may also verify the absence in person, by email or phone call, or through a home visit with a designated school employee by completing any school-verified absence forms.

- If your child is absent three (3) or more days due to medical reasons, a doctor’s note or other reasonable means of verification may be required.

- If your child is chronically ill or incapacitated and can’t attend school for an extended period, please contact the school to discuss Home & Hospital instructions.

Unexcused Absences (California Education Code 48260)

- Under state law, an unexcused absence is an absence for any reason other than those listed above. Taking a vacation, or visiting out-of-state/country family members, except under the circumstances described above, are considered unexcused absences.

- After three (3) unexcused absences, your child will be classified as truant.

Tardies (California Education Code 48260)

- If your child is late to any class during the school day, it will count as tardy.

- After three (3) unexcused tardies of 30 minutes or more, your child will be classified as truant. There are escalating consequences for truancy, which may include a referral to the OUSD School Attendance Review Team (SART). Failure to attend school regularly and on time may lead to a referral to the Alameda County District Attorney’s Office, which may charge truant students and/or parents with violations of state law. It’s also important to note that our teachers work hard to create safe, caring classroom communities. The morning classroom activities set the tone for the day, and coming in late can cause a child to miss out on this

essential community time. Please support your child by bringing them to school on time every day.

Independent Study

Independent Study is only for those students who will miss school for 5 or more consecutive days due to a family matter or other justifiable reasons. We ask that you please inform the teacher ahead of time and preferably within a minimum of two weeks to give the teacher enough time to prepare a work packet for your student. After you have notified the teacher, please call or email Ms.Asha (asha.washington@ousd.org) to start the Independent Study process. Students are only allowed up to 14 days total for independent study.

Attendance Calling System & Parent Portal

To help support parents in managing their child's attendance, OUSD has created an Attendance Calling System, which provides information to parents/guardians about your student's attendance. The Attendance Calling System automatically calls parents/guardians to alert them when a student has missed one class period or more that day.

Parents may access attendance information for their students through the OUSD Parent Portal at <http://ousd.org/parentportal>. In order to access the Parent Portal, you must submit a valid email address and phone number (home or cell) on the emergency contact list in AERIES.

Universal Free Meals Program

We provide free breakfast and lunch during the school day for every student in TK-5. Students are also allowed a nutrition break before their morning recess. We also offer an afternoon snack to all students in the afterschool program.

Check with your child's teacher **BEFORE** bringing in any treats to share with your child's class.

Peralta Culture and Climate

What is SW-PBIS?

Schoolwide Positive Behavior Interventions and Supports (SW-PBIS) is a system of tools and strategies for defining, teaching, acknowledging appropriate behavior, and correcting inappropriate behavior.

It is a framework for creating customized school systems that support student outcomes and academic success. SW-PBIS is for the whole school, it is preventative, and it changes the paradigm of focus from negative behaviors and exchanges to positive expectations and interactions.

There are **four** main elements in SW-PBIS:

- ❖ Customized practices to **support student behavior**, such as defining and teaching appropriate behaviors
- ❖ Systems of **support for educators** in the school; such as school-wide behavioral expectations, indicators, and coaching
- ❖ **Data-based decision-making**, which is the cornerstone of the behavior problem-solving process
- ❖ And, the combination of these enables **school-wide outcomes**, which promote social proficiency and academic success

A Multi-Tiered System of Support (MTSS)

School-wide means that educators support appropriate behavior in classroom and non-classroom (bathrooms, assemblies, hallways) areas. This support happens along a continuum of three tiers: **Tier 1** (for all students), **Tier 2** (for a small group of students), and **Tier 3** (for individual students). The goal is to create an environment that sets up ALL students for success.

An important aspect of SW-PBIS is the understanding that appropriate behavior and social competence is a skill that requires **direct teaching** to students just like math and reading. There is no assumption, in SW-PBIS, that students will learn social behavior automatically or pick it up as they go through life. This critical feature in SW-PBIS leads to its effectiveness.

We use the [Caring School Community](#) program to build [social-emotional competencies](#) such as social awareness, relationship skills, and responsible decision-making.

Homework Policy

(The number of minutes of homework will vary based on teacher and grade level)

Homework is an important part of the learning process and helps students to become independent learners. Because students, parents, and teachers all contribute to a student's academic success, we believe that the following agreements will help make homework a meaningful experience:

As a student, I agree to:

- Make sure I understand my assignments before leaving school;
- Do my best on my homework assignments, checking for errors, neatness, and legibility;
- Return my assignments to my teacher when they are due.

As a parent, I agree to:

- Talk to my child about his/her school work and assignments every day.
- Find out how my child is progressing by attending teacher conferences when needed
- Encourage good study habits.
- Provide a quiet, well-lighted study area.
- I will regulate my child's "screen" time (e.g., iPad, video game, TV) so it does not interfere with his/her study time.

As a teacher, I agree to:

- Provide assignments that are reasonable and relevant to the course of study
- Give feedback to the student for returned assignments about his/her progress.
- Communicate the impact of homework on overall grade
- Contact parents when a student consistently fails to return homework.

Parents, we do not want your child's homework experience to cause undue stress or anxiety. If your child is struggling to complete their homework in a reasonable amount of time, please consult with your child's teacher.

Standards-based Grading

Marks are given on a numerical scale from 1 to 4:

- | | |
|----------|--|
| 4 | Exceeds Standard / Consistently Observed |
| 3 | Meets Standard / Often Observed |
| 2 | Approaching Standard / Sometimes Observed |
| 1 | Below Standard / Rarely Observed |
| X | Not Assessed |

Please keep in mind that a mark of **3** (*Meets Standard*) indicates that the student is meeting expectations for the complete standard for the grade. Therefore a student may be making

adequate progress towards the standard for that time of year but still receive a 2 (*Approaching Standard*) because the full standard has not been taught or assessed yet. A mark of 2 early in the school year does not necessarily indicate that the student is not meeting expectations.

All skills on the report card should be assessed at some point during the school year, but there may be some skills that are not taught during a given trimester. These skills can be marked with an "X" to indicate that the skill has not been assessed yet.

ACCESS TO REPORT CARDS ONLINE: Parents are encouraged to access their child's Report Cards via the Aeries Portal. Parents will receive a paper copy of their child's report during Trimester 1 and 2. We will not print report cards for Trimester 3.

Retention Policy

California State Education Code and the OUSD's Board of Education Policy state that students who are not making adequate progress and are not performing at grade level may be considered for retention to repeat the same grade level. Parents must be informed of the possibility of retention by January 31. Teachers may recommend retention at the end of the year. An SST or an IEP meeting must be held to document all interventions and to inform the parent of the intent to retain. Parents must agree to retention in writing and can reserve the right to appeal retention decisions by the teacher. As a general rule, retention is not a practice usually advocated by Peralta teachers and is only done when all stakeholders agree.

Acceleration Policy

State policy leaves LEA to determine what, if any, acceleration practices are used in their gifted education programs.

According to California [EC 52206](#), programs for gifted and talented students "shall be planned and organized as an integrated, differentiated learning experience within the regular school day, and may be augmented or supplemented with other differentiated activities related to the core curriculum using such strategies as independent study, *acceleration*, postsecondary education, and enrichment." Each LEA is tasked with determining which curricular components will be most appropriate for participating students in their school district.

The OUSD School Board discourages acceleration but it is not prohibited. These two criteria must be met:

- All stakeholders (parents, students, site leaders, and network superintendents) must agree.
- The students already demonstrate all the academic and SEL achievement levels of the current grade

Requests for Special Education Services

1. Families reach out to their child's teacher when there is a concern; must have at least 1 parent conference with their child's teacher.
2. The teacher will submit a COST referral form.
3. The COST coordinator will schedule an SST with families to plan interventions.
4. After 6-8 weeks, The COST coordinator will schedule a follow-up SST to determine if interventions are working.
5. Should the interventions be deemed unsuccessful, the COST team will make the decision to request a 504 or an assessment for an IEP.
6. It is the parents/guardians right to request an IEP without going through the process, however we strongly suggest reaching out to your child's teacher when you have a concern to help us work together as a team to support your child. Following the above steps supports us in addressing concerns right away, instead of waiting for the entire IEP process to determine what's needed. In addition, skipping the above students may be subjected to unnecessary assessments that may prevent the SpEd team from providing direct services to students with IEPs.

Dress Code (BP 5132)

[OAKLAND UNIFIED SCHOOL DISTRICT Board Policy](#)

The following guidelines shall apply to all regular school activities and will be enforced by school personnel:

1. Shoes must be worn at all times. We recommend tennis shoes every day for play and safety during P.E. No flip flops or strapless shoes. Heelys and roller skates are not acceptable.
2. Clothing, jewelry, and personal items (backpacks, fanny packs, gym bags, water bottles, etc.) shall be free of writing, pictures, or any other insignia which are crude, vulgar, profane, or sexually suggestive, bearing drug, alcohol or tobacco company advertising, promotions, and likenesses, or advocate racial, ethnic, or religious prejudice.
3. Dress, grooming, or accessories that are considered obscene, libelous, slanderous, unsafe, dangerous, a health hazard or create a substantial disruption of the orderly operation of school or school-sponsored events will not be allowed.
4. Dress, grooming or accessories that contain gang-related colors or clothing which denotes gang affiliation will not be allowed.
5. **Please be sure your child's name is on all school clothes, backpacks, and lunch boxes.**

Cell Phone Policy

- In accordance with legislation from the state, our school days are now entirely cell-phone free for students. Consequently, the use of mobile devices is prohibited throughout the instructional day and lunch breaks. **We ask that students do not bring cell phones (including smart watches and headphones) to campus,** however we recognize that some families rely on student cell phones for communication before and after school. If your child must have a cell phone or device (smart watch) on campus, all devices (cell phones, smart watches, and headphones) should be **off and away while on campus during the school day or after school program.** If you need your child to have a cell phone or smart watch on campus, you will receive the policy to sign and return on the first day of school. *[If a cell phone is needed for a medical purpose, accommodations will be made.]*
- If a student needs to reach their parents they may ask to call parents in the office.
- **Parents, please do not call or text your child during the school day.** If a parent needs to reach their child, they can call the office at **510-879-3145.**
- If a student has their cell phone or smartwatch out or uses it during the day, the phone or watch may be confiscated, and put in a safe place and the phone or watch will be returned to a parent/guardian at the end of the day. After repeated offenses, the student will not be allowed to have a phone or watch at school at all.
- Students may not have cell phones, tablets, or cell phone watches during I-Ready, SBAC, or any District assessments. The presence of these devices can compromise the testing environment and void testing data for the classroom and will ultimately affect the whole school's testing data.

HEALTH AND SAFETY

Emergency Contact Information

Please notify the school office staff (510-879-3145) of any address and/or home/work/cell telephone number change. It is vital to keep all emergency numbers current. **If a cell phone is your primary contact number, always keep it on during school hours and the MESSAGE FEATURE ACTIVATED.** In case of an emergency with your child, we need current information to make contact. **Students may only be signed out by a parent or someone listed on the emergency contact in Aeries. If someone comes to pick up your student, we cannot release the student unless the person is listed on the contact list or the parent notifies the office.**

School Visitors

We love seeing our Peralta parents; however, to preserve instructional time and to ensure a smooth start for the day, we ask that all parents exit the campus as soon as possible and please refrain from entering the classroom after the bell has rung. State law requires that all parents/guardians, visitors, and volunteers report to the office to sign in and be given a visitor's pass before entering the classrooms or going elsewhere on the campus. **New in 26-27: We have a sign-in badge maker at the front office that all visitors will use for sign-in. Thank you for using this sign-in system when you come into the building.** For parent observations, parent conferences, and volunteer opportunities please make an appointment with your child's teacher before visiting the classroom. We must respect the learning environment and the privacy of other students.

School-wide disaster procedures:

Before an Emergency/Disaster Strikes: (1) Be sure to review and update your child's emergency contact information online each year. **Children will ONLY be released to those listed on emergency contact** (2) Talk to the emergency contacts listed on your child's form. Ensure they know what the plan is when there is an emergency. (3) Create an emergency/disaster plan for your family -- a) identify an out-of-area contact, b) texting may work even though phones may not, c) identify who will pick up your child if you are unable and make sure that person is listed on your child's emergency contact form. (4) Discuss emergency plans with your children so they know what to expect.

School HealthTeam

Our office staff as well as an OUSD school nurse is assigned to carry out the school health program. The health team does not diagnose illness but may recommend that a student be sent home if a student has a fever, persistent cough or an injury/illness that is impacting student learning. When such action is necessary, the office staff will call a parent or an adult on the emergency contact list. **You must notify the school if you believe your child may have a communicable disease.** In cases with COVID-19 symptoms, the office staff cannot test a student without parental permission. Office staff are required to notify parents immediately of any head injury. Parents will determine if a student should return to class or be sent home. **If the head injury is deemed serious, 911 will be called and EMTs will determine the next steps.**

Vaccinations

All families are required to provide documentation verifying that their student has met state requirements for school immunizations.

PARENT INVOLVEMENT

Parent involvement is important at Peralta Elementary School. There are several ways parents can be a part of decisions that directly affect their child. The PPTG and various councils meet regularly throughout the school year to provide input to the staff in developing educational programs. **We want and need parents to serve on these councils.** We will work together to continue to improve our school.

Peralta Parent Teacher Group (PPTG)

The Peralta PPTG is an important support organization for the school and a liaison between the school and the parent community. The purpose of PPTG is to unite the common interests of teachers and parents in the school and to create a spirit of friendliness that will enable people to work for the general welfare of our students. The PPTG helps the school by

providing funds for enrichment classes: art, music, and gardening, instructional support aides, assemblies, field trips, classroom equipment and materials, and school staff support. You do not need to join or pay dues. Everyone is automatically a member. **Everyone is cordially invited to attend general meetings on the 3rd Wednesday of the month, in person in the MPR at 6:00 pm.** Dinner is provided by Ms. Ellen and students in the afterschool program.

School Site Council (SSC)

SSC is the advisory council that provides input in the development of the school improvement plan and budget with the express purpose of increasing student achievement. They must recommend this plan to the Board of Education, make sure the plan is being implemented and recommend any needed changes. The council must have an equal number of parents and school staff. **Currently, we meet every 2nd Wednesday via Zoom. A Zoom link is provided at least 72 hours before each meeting through Konstella.**

Parent/Guardian Volunteers

The PPTG is an entirely volunteer-driven organization, so there are many opportunities to support the school with your time and effort. Please contact pptgchair@peraltaschool.org with any questions. Here are our biggest volunteer opportunities of the year: Peralta Auction, Peralta Walkathon, and Peralta in Bloom.

Classroom Volunteers

Parents are encouraged to volunteer in their child's classroom. Opportunities to volunteer in your child's classroom are at the teacher's discretion. Teachers have the right not to have parent volunteers or to request that a parent not volunteer based on extenuating circumstances. Teachers will work with room parents to create a schedule for volunteer opportunities.

Register Now to Be A Volunteer

For the safety of all students, our district requires all volunteers to register with the Oakland Education Fund. It would be great for you to get that process going now! Please go to this website [Oakland Public Education Fund Volunteer Page](#) and follow the instructions. To be a school volunteer, you'll need to register there and provide proof of COVID vaccination and recent TB clearance. In order to drive on a field trip, the Oakland Education Fund has to get fingerprint clearance from a volunteer in addition to completing the rest of the volunteer registration process. For other volunteer or community-related questions, contact pptgchair@peraltaschool.org

Visitor's Policy

All visitors shall:

1. Immediately comply with the school's registration policy when entering school grounds.
2. Comply with any school policy concerning classroom visitation, including but not limited to obtaining prior permission from the principal/designee.
3. Enter and exit classrooms as quietly as possible.
4. Refrain from talking to students or staff during instructional time.
5. Refrain from any conduct that interferes with school activities.
6. Limit the length and frequency of classroom visits to a reasonable amount (to be determined by the activity being observed).
7. Comply with the school's established procedures for scheduling a follow-up appointment with the teacher(s) and/or principal/designee after the classroom visit, if needed.
8. Return the Visitor's Permit, if applicable, before leaving the campus.

Visitor's Rights

Visitors have the right to:

1. Be informed in advance of the procedures for visiting the school.
2. Request and obtain approval of the principal/designee to enter a school campus.
3. Observe the classroom(s) in which their child is enrolled, within a reasonable period of time, after making a request.

Visitors DO NOT have the right to:

1. Disrupt instructional time, extra-curricular activities, cause disorder, or otherwise disrupt the normal operations of the school.
2. Use any electronic listening or recording device in any classroom of the elementary and secondary schools without the prior consent of the teacher and the principal of the school. Any person who willfully violates this rule may be guilty of a criminal misdemeanor (Education Code section 51512 and BP 1250)
