The Newman School is currently accepting applications for a IB (International Baccalaureate) Math Teacher position at our office located at 247 Marlborough Street, Boston, MA 02116.

Job duties: Teach IB Mathematics to students in grades 11 and 12 ensuring students are well-prepared for the rigors of the International Baccalaureate (IB) exams. 2. Develop and implement lesson plans that align with the IB curriculum, focusing on critical thinking and problem-solving. 3. Support students in achieving academic excellence through personalized instruction and targeted feedback. 4. Maintain accurate and complete student records as required by laws, district policies, and administrative regulations. 5. Prepare, administer, and grade tests and assignments to evaluate students' progress. 6. Collaborate with colleagues to continually improve the math program and enhance the overall learning experience. 7. Perform administrative duties, such as school library assistance, hall and cafeteria monitoring. 8. Attend staff meetings and serve on committees, as required. 9. Participate in extracurricular activities and coach the Robotics Team.

Minimum job requirements: Bachelor's degree in Mathematics and 12 months of full-time or part-time experience (at least 20 hours/week) as a Math Teacher or Teaching Fellow in Mathematics.

Rate of Pay: $89,000/year
