FARMDALE ELEMENTARY SCHOOL
PRESCHOOL CONNECTIONS
2026 - 2027

Dear Parents,

The Farmdale Elementary School Preschool Connection sessions are ready to begin for the 2026-27 school year. Sessions are held at Farmdale Elementary School from 12:50-1:30PM. The first session will be held in October and the program will run through March.

A parent, guardian, or grandparent and their preschool age child, who will be attending kindergarten at Farmdale next August, are invited to share in the sessions.

Each month the program will feature information that will support the transition to kindergarten. Children will enjoy participating in story time as well as an activity. In addition, the children will take home a new book to enjoy.

Please see the back of this flyer to view specific dates and session topics. We look forward to meeting you!

Sincerely,
The FES Literacy Team
