BASES GENERAL INFO

REGISTRATION INFORMATION

Registration is available online or on the phone. Please do not send registrations to your child's school. If you would like your child to attend a BASES class at a different school, parents are responsible for providing transportation between schools. Classes do fill quickly, so register early to avoid disappointment! **Registration closes at 12pm two business days prior to the start of the first class. There are NO late registrations.**

FINANCIAL AID

Financial aid may be available. Call Rochester Area Youth Assistance (RAYA) at 248-656-3558 as soon as possible, as the process takes some time.

MINIMUM AGE & GRADE LEVELS

Students must be at least 5 years old AND enrolled in Kindergarten (not Transitional Kindergarten), unless otherwise specified.

CLASS MAKEUP

No refunds or transfers will be given if a child cannot attend a scheduled session. In the event a class cannot be held due to an instructors absence, building/technology issue, etc. a make-up session will be added to your class schedule.

SNACK POLICY

Do not bring any food items of any kind to our BASES classes, unless medically necessary and approved by the Enrichment department prior to the program start date.

LATE PICKUP

Children cannot walk home from BASES class. You, or an authorized adult (18 years or older), must be on time to pick up children. BASES cannot guarantee supervision after class. If parents are late picking up their child, they will be charged \$20 for the first 15 minutes, and \$10 for each 15 minutes thereafter. An invoice will be emailed and full payment must be paid **prior to attending the next scheduled session.**

MIDDLE SCHOOL INTRAMURALS (6-8th GRADE)

Our Middle School after-school activities are known as Intramurals. The activities often include sports, arts, music, and games. Intramurals generally run from November through December in the fall, and January through February in the winter. Intramurals run once a week from 2:30pm-3:30pm for 5 weeks. Most classes are taught by the school's faculty and class descriptions are posted through Peachjar digital flyers, your school's website and the schools' newsletter. The registration period is typically about 2 weeks long, so register quickly to avoid cancellation due to low enrollment!

THE ARTIST'S APPRENTICE: SQUISHMELLOW MANIA! (AGES 6-12)

So sweet, so cute! We just want to eat them up but let's create them instead. These lovable squishmellow characters will be the focus of this multi-media series, where kids will explore many avenues of the art world. From printmaking on rice paper, painting in brilliant shimmer colors, and sculpting with model magic clay, your kiddo will be engaged in a whirlwind of imaginative projects and 3D visual references. One-to-one guidance will ensure that even the timidest artist will shine with confidence as they present their artwork to parents and friends. Taught by artist/educator Pamela Palmer BFA founder of The Artist's Apprentice. **NOTE: These classes are an hour and a half long.** Wear clothes that are not precious and bring a water bottle.

THE ARTIST'S APPRENTICE: ADORABLE ANIMAL ART MASH-UPS (AGES 6-12)

Red pandas, axolotls, fennec foxes, bunnies, we love them all! Let's take the best of the best cutest creatures and pair them up for the sweetest things on the planet! We will be working with various clay types, painting materials, collage and other art forms to invent new species. Individual guidance will be given throughout the series, building confidence with kindness. Kids will present their bunny butterflies, kitten canaries, or whatever other chimera they imagine into being with confidence to parents and friends. Taught by artist/educator Pamela Palmer BFA founder of The Artist's Apprentice. **NOTE: These classes are an hour and a half long.** Wear clothes that are not precious and bring a water bottle.

{YEL!}: CODING ANIMATION WITH SCRATCH® (AGES 7-12)

STEM Coding Enrichment for the 21st Century learner. Each {YEL!} Coding class follows three basic components: •Teach It!...Students learn different story-telling and coding techniques (movement blocks, animation, dialogue, timing, etc.) •Code It!... Students use Scratch®* to code their own animated story lines: i.e. westerns, missions in space and even dance parties. •Explore It!... Students can write their own code, experiment with it and test new options. We foster a collaborative environment where students learn from each other's creativity. Sign up today to THINK, LEARN and PLAY WELL with {YEL!}.

This camp is about creativity, connection, and collaboration. It is a week full of opportunities to build STEM, language development, problem solving, and more. Each day children will create their own project, as well as collaborating on a group project. The experience encourages children to try out the ideas in their imaginations. The camp is designed to be educational, inspirational, and joyful! It is also designed to help children feel confident, curious, and excited to use their strengthened skills at school and beyond.

NATURAL REMEDIES FOR STRESSED PETS (AGES 16+)

Has your pet experienced trauma? Do they panic during thunderstorms or fireworks? Is your pet overly needy, shy, territorial, aggressive, impatient, or easily overstimulated? Do they bark or meow excessively, or scratch, lick, or groom themselves non-stop? Do they struggle with chronic skin issues or constipation? Animals have emotions too; they can experience fear, anger, jealousy, depression, happiness, and joy. In this class, you'll learn how Bach Flower Remedies can gently support your pet's emotional well-being. These natural remedies work with subtle energetic vibrations to help restore emotional balance and promote calm, confidence, and comfort in your pet. • Instructor: Monica Levin, Holistic Health Coach•West -Collab
