- G. To determine the overall mission of the Lakota Local School District
- H. To effectively manage the work force
- I. To take actions to carry out the mission of the Lakota Local School District

The employer is not required to bargain on subjects reserved to the management and direction of the governmental unit except as affect wages, hours, terms and conditions for the employment, subcontracting of bargaining unit work, and the continuation, modification, or deletion of an existing provision of a collective bargaining agreement. A public employee or exclusive representative may raise a legitimate complaint or file a grievance based on the collective bargaining agreement.

1.04 Non-Discrimination

The Board will not intentionally discriminate against or between employees covered by this agreement because of race, creed, religion, color, national origin or ancestry, age, sex, marital status, sexual orientation, physical characteristics or disability, or place of residence.

ARTICLE II – DEFINITIONS

2.01 Bargaining Unit

The bargaining unit shall be defined as all certified/licensed employees including those who are assigned to auxiliary schools within the District who are under contract with the Board on a full-time or part-time basis, including any substitute employee who has been employed in the same teaching position for at least sixty (60) continuous days. The following shall be excluded from the bargaining unit:

Substitute employees employed in the same position for less than sixty (60) continuous days, certified assistants (braillists and sign language interpreters), supervisory employees including but not limited to the superintendent, assistant superintendent, principals, assistant principals, directors and all others who have the authority to employ, evaluate, transfer, assign, discipline, or discharge employees of this bargaining unit or have the responsibility to make recommendations therein and non-contracted individuals who are paid on a timesheet basis who are assigned to the auxiliary schools.

2.02 Days

Regular employee workdays as defined on the district calendar during the regular school year. During the summer months, week days excluding federal holidays will be considered "days".

2.03 Good Faith

The willingness to consider, propose, and make counter proposals in an effort to reach a mutually-agreeable position on matters which are negotiable. If a proposal is unacceptable to one of the parties, that party is obligated to give its reasons. The unwillingness of one or other party to change its position shall not constitute bad faith.

2.04 Continuous Employment

Continuous employment shall include all time on Board approved leaves of absence, and all time that an employee's contract has been suspended pursuant to Reduction in Force Language (RIF) of this contract.

2.05 Seniority

Seniority shall commence with the first contracted day of work, not inclusive of any extended service and/or supplemental days, and shall be defined as the length of continuous employment with the Board as an LEA bargaining unit employee. Seniority for long term substitutes shall be defined as continuous employment consisting of one hundred twenty (120) days or more in the same position ending with the last contract day and beginning with the first contract day of the next school year.

2.06 Seniority Tie-Breaker(s)

When two (2) teachers have equal seniority, the teacher with the greatest total regular teaching years (120 or more continuous days in the same position) in the Lakota Local School District shall be ranked the most senior. If a tie remains, the date and time of the appointment recommendation will be used, and STRS.

2.07 Full-Time Equivalent (FTE)

Full-time: Employee working seven and three-fourths (7-3/4) hours per day
Part-time: Employee working anything less than seven and three-fourths (7-3/4) hours per day. FTE is calculated based on the comparison to the 7 3/4 hour work day and part-time employees who work more than five (5) hours will get a paid lunch.

2.08 In-Service Day

In-Service Day is a workday when students are not in session. No less than fifty percent (50%) of each day shall be set aside for individual classroom work. A request to open negotiations shall be submitted by the president of the Association to superintendent or designee or by the superintendent or designee to the president of the Association not more than one hundred twenty (120) days or not less than sixty (60) days prior to the expiration of the contract.
- B. The requesting party shall serve a copy of the request and the current contract upon the State Employment Relations Board (SERB).

- B. A time, place and date for the next session shall be established before concluding the first and each successive negotiation meeting.
- C. Initial written proposals shall be exchanged and presented by the parties at the first meeting unless otherwise mutually agreed. No new proposals shall be considered unless otherwise mutually agreed.
- D. All meetings shall be scheduled as mutually agreed.

3.03 Negotiation Teams

- A. Each team shall consist of up to three (3) people. Each team shall designate a spokesperson. All negotiations shall be conducted exclusively by the designated teams. Size of teams may be changed by mutual agreement.
- B. Either party may call upon professional and lay consultants (in addition to their representatives) to present testimony and facts concerning matters under discussion. Up to two (2) consultants may be used by each of the parties in any negotiation session. The cost of such consultants shall be paid by the party requesting their services. The party shall provide notice one day prior to the meeting naming the consultant who will make the presentation.

- C. When unforeseen circumstances make it impossible for the chief spokesperson for either party to be in attendance, or cause him/her to be late, it shall be the duty of that team to notify the other as promptly as possible. Both parties shall agree to continue or set a time, date, and place for the next negotiation session.
- D. Either party may have up to two (2) observers present at each session. The observers may not participate in the bargaining process.
- E. While no final agreement shall be executed without ratification by the Association, and adoption by the Board, the parties mutually pledge that their representatives will have all necessary power and authority to make and consider proposals and counterproposals; and to make concessions in the course of negotiations so as to reach agreement.

Such initialing shall not be considered as a final agreement by the parties until the contract is ratified. It is expressly understood by the parties that the tentative agreement reached on any item may only be revised or withdrawn by mutual agreement.

3.07 **Agreement**

When a total contract tentative agreement is reached through negotiation, the outcome will be reduced to writing, signed by the spokesperson of each negotiations team and submitted with a recommendation to the Association and the Board for acceptance.

- A. The result of the ratification vote by the Association's membership shall be communicated to the superintendent or designee by the president of the Association. After notification, the Board shall meet within fourteen (14) days, unless otherwise mutually agreed, to consider the approval or non-approval of the tentative agreement.

3.08 **Impasse**

If an agreement has not been reached after forty-five (45) calendar days from the first meeting between the bargaining teams, either party may declare impasse and call for the services of the Federal Mediation and Conciliation Service (FMCS) to assist in negotiations. A party may not declare initial impasse until five (5) negotiation sessions have occurred. If a party calls for FMCS involvement, the other party shall join in a joint request. A private mediator may be utilized if mutually agreed to by the Board and the LEA. If a private mediator is utilized, the parties will agree to equally split the cost of the mediator.

The mediation period shall be sixty (60) calendar days from the first meeting with the mediator. After the sixty (60) calendar day period has expired and after at least three (3) sessions with a federal mediator (or a mutually agreed upon private mediator), if an agreement has not been reached, then the impasse procedures of this contract shall be deemed to have been completed and an ultimate impasse shall exist. At that time the Board shall have the right to implement its final offer if it so chooses and the Association shall have the right to strike under the provisions of ORC Chapter 4117 if it so chooses provided that the

Association has submitted the Board's final offer to a vote of the membership. During this ten (10) day period the LEA may request to continue to negotiate with the Board. In the event a request to negotiate is received by the Board, the Board will ensure that at least one negotiation session is provided prior to the implementation of the Board's final offer.

3.09 Contrary to Law

If during the term of this contract there is a change in any applicable state or federal law, or if any provision of this contract shall be found to be contrary to law by a court of competent jurisdiction or pursuant to a specified reopener provision of this contract then that provision shall be deemed invalid except to the extent permitted by law, but all other provisions hereto shall remain in full force and effect for the term of the contract. If a provision is determined to be invalid, the parties will meet to negotiate with regard to that provision within forty-five (45) days of the demand of either party in accordance with the negotiation provision of this contract.

3.10 In-Term Bargaining

If during the life of the contract, bargaining is necessary due to Article 3.09 and agreement is not reached on the subject matter being bargained, Article 3.08 of this contract shall govern the impasse procedures.

4.02 Grievant

Shall mean the employee(s) or the Association filing the grievance.

4.03 Purpose

The purpose of the grievance procedure is to secure, at the lowest possible administrative level, proper solutions to grievances. Both parties agree that grievance proceedings shall be kept as informal and confidential as possible at all levels of the procedure.

4.04 Written Grievance

An employee who believes that he/she has a grievance shall submit a written complaint to the Association President and/or Grievance Chair within a timely fashion, not to exceed the ability for the Association President and/or Grievance Chair to meet the twenty-five (25) day timeline listed below.

Such grievance shall be submitted by the Association President and/or Grievance Chair to the building principal or appropriate administrator with a copy to the Executive Director of Human Resources within twenty-five (25) days of the infraction.

4.05 **Grievance Procedure**

- A. Step One: A grievant shall have the right to file a written grievance with the employee's building principal or the appropriate administrator.

If the action which is the basis of said grievance occurs during the summer break between school years, the employee shall have twenty-five (25) days after he/she became or should have become aware of said action to file a written grievance. A grievance occurring any other time shall be filed within twenty-five (25) days of the occurrence of the act or condition which is the basis of said grievance. Failure to file a grievance within the time provided herein shall constitute a waiver of right to file a grievance and said grievance shall be void.

1. The written grievance shall be recorded on Appendix A and shall contain a concise statement of the facts upon which the grievance is based with a reference to the specific provision of the contract allegedly violated, misinterpreted or misapplied.
 2. A copy of such grievance shall be filed with the Association President, Superintendent and/or with the Executive Director of Human Resources.
 3. The grievant shall have a hearing before the administrator. The grievant and the Association President shall be advised in writing of the time, place and date of the hearing which shall be within seven (7) days of the administrator's receipt of the grievance. The hearing between the grievant and administrator shall involve those two parties only, unless either party requests to be accompanied by an association representative of his/her choice.
 4. The administrator shall take action on the written grievance within seven (7) days after the conclusion of said hearing. The action taken and the reasons for the action shall be reduced to writing and copies sent to the grievant, the Superintendent and/or the Executive Director of Human Resources and the President and/or Grievance Chair.
- B. Step Two: If the action taken by the administrator does not resolve the grievance to the satisfaction of the grievant, the grievant may appeal in writing to the Executive Director of Human Resources.
1. Failure to file such appeal within seven (7) days of the receipt of the written memorandum of the administrator's action on said grievance shall be deemed a waiver of the right to appeal and the grievance shall be void.
 2. A hearing shall be conducted by the Executive Director of Human Resources, within seven (7) days after receipt of the appeal. The grievant and the Association shall be advised in writing of the time, and place of the meeting. A representative of his or her choice shall be present. The Association and the Administration shall provide each party with the names/titles of those who will be in attendance at the meeting.
 3. The Executive Director of Human Resources shall take action on the appeal of the grievance within seven (7) days after the conclusion of said hearing. The action taken and the reasons for the action shall be reduced to writing and copies sent to the grievant, the administrator and the Association President and/or Grievance Chair.
- C. Step Three: If the action taken by the Executive Director of Human Resources does not resolve the grievance to the satisfaction of the grievant, the grievant may appeal in writing to the Superintendent and/or Assistant Superintendent following the procedures as outlined in Step Two above.

- D. Step Four: If the grievant is not satisfied with the decision at Step Three, the Association may appeal the decision to arbitration within seven (7) days of the receipt of the Superintendent's/ Assistant Superintendent's decision.
1. Failure to file such an appeal within seven (7) days of the receipt of the Superintendent's/Assistant Superintendent's action on said action shall be deemed a waiver of the right to appeal and the grievance shall be void.
 2. The parties shall request a list of arbitrators from the American Arbitration Association. The arbitrator will be selected in accordance with the rules and regulations of the American Arbitration Association, except as herein modified. If no arbitrator is mutually acceptable from the list supplied by the American Arbitration Association, an additional list or lists will be requested.
 3. The arbitrator shall conduct a hearing and receive such evidence as testimony as he/she deems proper. Such hearing shall be held at the earliest time mutually convenient to the Association, the Board and the Arbitrator.
 4. Within thirty (30) days of the hearing of the grievance, the arbitrator shall issue his/her written report and recommendations. The report shall be transmitted simultaneously to the Association and the Board.
 5. The decision of the arbitrator shall be final and binding on the Board, the grievant(s), and the Association. The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to determine any other issue(s) not so submitted to him/her. The arbitrator shall have no power to add to, subtract from, change, modify or amend any of the terms and provisions of this agreement, or any other written agreements between the Board and Association.
 6. The Board and the Association shall equally share the fees and expenses of the arbitrator and any expenses incidental to the arbitration proceedings. Each party, however, shall be responsible for the fees and expenses of its representative.

4.06 **Miscellaneous Provisions**

- A. An employee who participates in this grievance procedure shall not be subject to discipline or reprisal because of such participation. A copy of the grievance shall not be filed in the employee's personnel file.
 - B. Hearings and conferences under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses to be present. When such hearings and conferences are held at the option of the administration or the Arbitrator during school hours, all employees whose presence is required shall be excused with pay for that purpose.
 - C. It is important that a grievance be processed as rapidly as possible. The number of days indicated at each level shall be considered as a maximum and every effort shall be made to expedite the process. The time limits specified may be extended by mutual agreement.
 - D. All grievances may be withdrawn at any level without prejudice. In the case of grievances filed by individuals, the employee involved has the right to withdraw the grievance at any time.

It is expected that most offenses will be addressed through a verbal warning which will precede the progressive disciplinary process. This warning is delivered verbally by the supervisor with no written record of it appearing in an employee's personnel file. This warning is not subject to the grievance procedure and is meant to prevent the need for a more formal reprimand in the future.

10.03 Disciplinary Procedures

An employee may be disciplined, including suspended and/or terminated, for just cause, for one or more of the reasons described in the Ohio Revised Code. The parties agree that discipline should only be administered when appropriate and shall be constructive and/or remedial. Accordingly, and depending on the nature of the offense, an employee shall be verbally warned about conduct which could lead to more formal disciplinary action.

Reprimands, discipline, and the reasons for discipline shall be subject to the grievance procedure. An employee may attach a written response to any discipline rendered.

10.04 Progressive Discipline

In addition to the procedures set forth by law, the superintendent or designee, shall follow the principles of progressive discipline and issue a verbal warning, limited written reprimand, permanent written reprimand, or recommend a suspension without pay. 1. The employee shall have a fact-finding conference during which time the circumstance(s) shall be explored; and

1. Limited Written Reprimand

This is a formal step in a progressive disciplinary process. It is a reprimand delivered by the supervisor and documented in writing using Appendix C. The written documentation of a limited written reprimand shall become a part of the employee's personnel file. At the request of the bargaining unit member, the limited written reprimand shall be moved to the administrator file after two years, if no similar incident occurs which results in further discipline.

2. Permanent Written Reprimand

This is a formal step in a progressive disciplinary process beyond or in follow-up to the limited written reprimand. A permanent written reprimand, using Appendix D, shall become a part of the employee's personnel file.

3. Suspension and Termination

In situations of extreme gravity or repeated failure to adhere to policy and/or directives, the superintendent may suspend an employee without pay for up to five (5) days.

Before a suspension of an employee becomes effective, the employee shall be notified of the reason for the proposed disciplinary action, and a hearing may be held at which time the employee may respond to the proposed disciplinary action. In the case of suspension, the hearing may be before the superintendent. A written summary of a suspension shall become a part of the employee's personnel file.
