

AMITY ELEMENTARY FALL PHOTO DAY

FRIDAY, SEPTEMBER 18TH

Photo Day is right around the corner, and we're excited to be working with your school. At Schoolhouse Photos, we keep Photo Day organized, upbeat, and easy for everyone involved.

Our local photographers are great with students, and our team is here to help families with real, personal customer service from start to finish.

HERE ARE A FEW IMPORTANT DETAILS FOR PHOTO DAY:

What do you need to do?

Just make sure your student is dressed and ready with a smile! That's it. There are no order forms, no paper envelopes, and no need to order before you see the photos.

How will I see my photos?

Within one week of photo day, you will receive an email with a secure **Access Code** to view and order your student's photos.

How do I order?

All ordering is done online. You will be able to choose from a variety of packages, prints, digital files, and other photo items. Our ordering site allows you to choose your favorite photos, select from a large variety of backgrounds, and even adjust the cropping if you would like. Packages can also include multiple poses.

Didn't receive our emails?

If you do not receive a reminder email by the day before photo day, or if you do not receive any follow-up emails after photo day, please contact the school to make sure they have the correct email address on file. The school will then contact us with the updated information.

Lost your access code?

If you received your access code but can't find it, please contact us directly. For security, we verify any updated email addresses with the school before providing access codes.

Where do I enter this access code?

Visit my.photoday.com or text your code to **90738**. You can view and order from a phone or desktop. And don't forget to "**heart**" your favorites before ordering!
