Dear MPE Pelican Families, Reading at home can make a huge difference in your child's school success. Reading for just 10-20 minutes a day will benefit your child in numerous ways. In an effort to develop lifelong readers, our schoolwide reading program will begin Monday, August 31, 2026 and ends Friday, April 30, 2027.

What do you need to do?

Each time your child reads or is read a book or a chapter in a book, he/she will color a book. Note: 15 minutes on a digital learning tool counts as well!

Students should return their completed reading log to their teacher to receive a new one. Blank and electronic logs are available for download on the MPE Library website and Mrs. Campo's Google Classroom.

Prizes:

- Students earn one prize for every 20 books that are read and documented on the log.
- Logs will be counted at the end of each month, and prizes will be distributed monthly.
- Logs will be collected until Friday, April 30, 2027.
