985.892.7112 ext. 2067

Tops Tech Senior Counselor
Che' Ashby-Jackson
Che'.Ashby-Jackson@stpsb.org
985.892.7112 ext. 2069

Information commonly required on college applications / Common App
Graduation Date: May 24, 2027
Class Size: 313
Rank: We provide a decile rank. Email Mrs. Mollere for your rank.
GPA: Weighted, 4-point scale

STANDARDIZED TESTS

- It is your responsibility to find the required standardized test(s) and necessary requirements for the colleges you are applying to for admissions. Check college websites, visit the counseling office, meet with college representatives at lunch visits, and attend college information sessions in our area.
- All colleges will accept ACT or SAT scores, and some may offer test-optional admission. Scholarship or honors-program requirements can differ from general admission requirements. Be aware of the requirements to allow the time to take the necessary tests. Again, check college websites for deadlines to accept test scores!
- If you did not send scores when you tested, order official score reports through ACT (myact.org) or College Board (collegeboard.org). Check current score-report fees before ordering. It is your responsibility to send your scores to the colleges to which you are applying.
- 2026-2027 ACT national test dates and fees: www.myact.org
- If you believe you qualify for an ACT fee waiver, contact Ms. Jackson.

AP AND CLEP SCORES

AP Scores

- View AP scores and order score reports through the College Board AP student portal. Confirm current score-report policies and fees with College Board.

CLEP Scores

- Scores are displayed on your test screen immediately following the CLEP test.
- CLEP score reporting and transcript ordering are managed through College Board. Check the My CLEP student portal for current free-report allowances and transcript fees.

Your log-in is the same for AP and CLEP! Again, it is your responsibility to send your scores to the colleges to which you are applying.

APPLICATIONS AND TRANSCRIPTS

- Colleges typically require a high-school transcript as part of the application process. Recommendation letters may also be required. Work with your counselor early so each institution receives the required documents.
- If you earned dual-enrollment college credit, you are responsible for having the college/university that awarded the credit send an official college transcript to the institution you plan to attend. FHS cannot send a college transcript on another institution's behalf.
- For schools requiring recommendations, complete the FHS Brag Sheet, ask the recommender in person first, and give recommenders at least 3 weeks' notice.
- Double-check your legal name, birth date, Social Security number, and other identifying information on applications and financial-aid forms.
- As you receive acceptances and scholarship offers, PLEASE provide copies to the counseling office so FHS can recognize the Class of 2027 and track scholarship awards.

COLLEGE VISITS

- Seniors are allowed two college visit days. Notify teachers in advance and follow FHS Student Services procedures for documentation after an official visit. If student services does not receive documentation within five (5) days, this will be marked as an excused absence.

NCAA ELIGIBILITY CENTER

- Students planning to compete at an NCAA Division I or II school should register with the NCAA Eligibility Center at eligibilitycenter.org.

- NCAA score-reporting code: 9999. Follow current NCAA guidance on whether official test scores are needed for your eligibility pathway.
- The Academic and Amateurism Certification account fee is scheduled to be $110 for domestic students effective September 1, 2026; Profile Page accounts are free. Verify the current fee before registering.
- It remains YOUR responsibility to apply for admission to the college/university recruiting you; a coach or recruiter does not complete the college application for you.

NAIA

- Students who want to compete in NAIA athletics for the first time must register with the NAIA Eligibility Center at PlayNAIA.org and receive an eligibility determination.
- ACT/SAT reporting code for the NAIA Eligibility Center: 9876.
- The published U.S./Canadian high-school registration fee is $110; fee waivers may be available for students with demonstrated need. Verify current fees at PlayNAIA.org.

FAFSA

- Students graduating in 2027 and entering college in fall 2027 should complete the 2027-2028 FAFSA.
- The U.S. Department of Education has stated that the 2027-2028 FAFSA is on track to launch by October 1, 2026. Complete it early and pay attention to college/state priority deadlines.
- The FAFSA uses federal tax information to determine eligibility for federal student aid. Follow the prompts on the 2027-2028 form for the tax year and contributor information required.
- Completing the FAFSA can also serve as your application for Louisiana TOPS. Students seeking only TOPS may use the LOSFA TOPS Online Application instead.
- Use accurate legal name, birth date, Social Security number, and high-school graduation information.
- Federal Student Aid: studentaid.gov

THE COMMON APPLICATION

- Create an account at commonapp.org. The 2026-2027 Common App opened August 1, 2026.
- Add colleges and review each school's individual questions, supplements, deadlines, fees, school-report requirements, and recommendation requirements.
- Complete all applicable sections of the Common App and monitor the dashboard for Early Decision (ED), Early Action (EA), and Regular Decision deadlines.
- **Follow FHS counseling instructions for inviting Mrs. Mollere. She will submit the school report and high-school transcript. Your brag sheet is required for this part so please submit it as soon as possible.**

TOPS - CLASS OF 2027

- LOSFA has a specific TOPS OPHE core curriculum for 2027 graduates. Verify your courses in the LOSFA Student Hub and with your counselor.
- Current award-level academic/testing benchmarks:
  - Opportunity Award: minimum 2.50 TOPS Core GPA and qualifying ACT composite of at least 20
  - Performance Award: minimum 3.25 TOPS Core GPA and ACT 23
  - Honors Award: minimum 3.50 TOPS Core GPA and ACT 27
  - Excellence Award: minimum 3.50 TOPS Core GPA and ACT 31
  - TOPS Tech Award: complete the applicable TOPS Tech core; minimum ACT 17 or Silver on ACT WorkKeys.
- TOPS does not accept an ACT superscore.
- Testing deadlines and late-score rules can affect eligibility and award level. Confirm the Class of 2027 ACT deadlines directly with LOSFA before relying on a late test date.
- Create and monitor your LOSFA Student Hub account at mylosfa.la.gov using your LOSFA ID or LASecureID.

IMPORTANT 2026-2027 REMINDERS

- Admission, scholarship, honors, housing, and financial-aid deadlines are not always the same. Build a deadline list for every college.
- Policies and fees can change during the school year. When this handout conflicts with an official college, testing agency, NCAA/NAIA, Federal Student Aid, or LOSFA website, follow the current official source.
- For FHS-specific procedures, counselor contact details, graduation information, and local deadlines, use the Fontainebleau High School Counseling page and Senior Google Classroom.
