

Curriculum Alignment

- Instruction follows the **Louisiana World Language Standards** and draws on the **ACTFL/CEFR proficiency framework**.
- All content is aligned to **Louisiana's Curriculum Scope & Sequence**.

State Certification of Immersion Schools

- Louisiana immersion schools must be certified by the Louisiana Department of Education.
- Certification is awarded to programs demonstrating quality instruction, fidelity to immersion models, and alignment with state standards.
- Frasch received its **State Immersion Certification in 2018** and **renewed accreditation in Spring 2023**.

Program Goals & Student Learning Outcomes

Our program aims to:

1. **Enable students to complete all core academic content in Spanish** while meeting Louisiana state standards.
2. **Help students communicate** fluently and confidently in Spanish on age-appropriate topics.
3. **Develop listening, speaking, reading, and writing skills in Spanish** aligned to ACTFL benchmarks.
4. **Foster cultural awareness and appreciation** of diverse perspectives.
5. **Ensure students perform on par with or above** their non-immersion peers in all subjects.
