TO PROVIDE A COMPREHENSIVE EDUCATION FOR ALL STUDENTS TO BECOME SUCCESSFUL CRITICAL THINKERS AS THEY ENTER A GLOBAL SOCIETY.

Dear Parent/Legal Guardian,

The Central Greene School District's "Sapphire" Community Web Portal (CWP) allows parents to access their child's grades, attendance, discipline, teacher comments, report cards, transcripts, graduation progress and important files and documents.

Already have a Community Web Portal Account?

Parents with current accounts may continue to use their existing usernames, passwords and PIN numbers. Parents are encouraged to set up their own CWP account so they can access all of their students with one log-in and so they can update the contact and demographic information pertaining to their students. If you already have a Community Web Portal account, and you simply need to link a new child to that existing account, please contact the main office of your child's school at 724-852-2090 (WCJSHS) or 724-627-3081 (WCES).

The Community Web Portal may be found at the web address below or from a quicklink found at the bottom of the CGSD district website.
