

Cypress-Fairbanks Independent School District

Duryea Elementary School

2025-2026

Mission Statement

Equip students today to impact tomorrow

Vision

We SWIM together! Safety Wisdom Integrity Motivation

Adding value to every child, every chance, every day.

Comprehensive Needs Assessment

Needs Assessment Overview

Needs Assessment Overview Summary

SCHOOL PROFILE

Duryea Elementary is a campus in Katy, Texas. Duryea opened its doors in 2004. Duryea is projected to serve 962 students in grades PK-5 during the 2025-2026 school year, which is a decrease from the previous year of 1,088.

COMPREHENSIVE NEEDS ASSESSMENT (CNA) PROCESS

Duryea's needs assessment process is described below.

Documentation of the process includes meeting minutes, agenda, and sign-in sheets. The CPOC met on May 12, 2025, and again on September 29, 2025 to develop and finalize the CNA. The meetings were held in the library at Duryea Elementary. We plan to meet again on November 17th to review and revise the CNA as needed.

At the first meeting on May 12, 2025, principal Tomicka Williams discussed:

- May CIP Strategy Evaluation
- Completion of 2024-25 CIP Summative Evaluation
- Conduct 2025-26 Needs Assessment
- Begin 2025-26 Campus Improvement Plan
- Discussion and completion of the 2025-26 Title I preliminary planning budget

At the second meeting on September 29, 2025, the CPOC discussed:

- STAAR Updates
- CIP Goals
- Title I (how funds are spent, parent meetings/engagement events)
- Questions/Comments

The problem statements and root causes are listed in each section of the needs assessment.

SUMMARY OF IDENTIFIED PROBLEMS AND ROOT CAUSES

Below is a summary of the prioritized problems and related root causes identified by the CPOC for the school to focus on during the 2025-26 school year:

Our first identified priority problem is in the area of student achievement, specifically Math: Duryea math scores are well below district average. After conducting a root cause analysis, we concluded that this was due to students Lack basic number sense, lack of teacher notes usage and lack of comprehension of word problems.

Our second identified priority problem is in the area of student achievement, specifically RLA: Our students are not moving up from approaches to masters as they move across grade levels. After conducting a root cause analysis, we concluded that the HMH curriculum does not match STAAR rigor and is not vertically aligned across grade levels.

Our third identified priority problem is in the area of student achievement, specifically Science: Our AA & SPED sub pops consistently perform lower than the district average. After conducting a root cause analysis, we concluded that there is a lack of differentiated instruction and lack of teacher preparedness.

Student Achievement

Student Achievement Summary

Although programs have been implemented to support our African American and Special Education populations, they remain our lowest performing groups in Math and Reading across grade levels. In addition, 2nd and 3rd grade Science scores are below the district average, and Kindergarten and 1st grade experienced a decline in MAP Reading.

Student Achievement Strengths

1. 3rd Grade exceeded targets in all sub pops (ELAR)
2. 4th and 5th grade approaches are strong (ELAR)
3. 3rd Meets & Above trending up toward identified targets (ELAR)
4. White sub pop and hispanic sub pop increased in all areas (Science)
5. Strong Number Recognition, Counting Forward, Ability to Add Accurately using multiple strategies. (Math) (Math)

Problem Statements Identifying Student Achievement Needs

Problem Statement 1: Instructional Focus Problem #1: In ELAR, Students are not progressing from 'approaches' to 'meets to masters' as they advance through grade levels.

Root Cause: Instructional Focus Root Cause #1: The HMH curriculum is not fully aligned with STAAR rigor and lacks vertical alignment across grade levels. Teachers need a structured instructional framework, ensure they internalize daily lessons, plan for, and differentiate for small group instruction.

Problem Statement 2: Instructional Focus Problem #2: Math scores are significantly below district averages.

Root Cause: Instructional Focus Root Cause #2: Students demonstrate weak number sense, limited use of teacher notes, and difficulty comprehending word problems. Teachers need a structured instructional framework, ensure they internalize daily lessons, plan for, and differentiate for small group instruction.

Problem Statement 3: Instructional Focus Problem #3: In Science, performance among African American and Special Education students remains consistently lower than district benchmarks.

Root Cause: Instructional Focus Root Cause #3: Limited differentiated instruction and insufficient teacher preparedness. Teachers need a structured instructional framework aligning with the 5E model, ensuring they internalize daily lessons, plan for, and differentiate for small group instruction.

Problem Statement 4: Campuses serving the most economically disadvantaged/at-risk students experience larger achievement gaps.

Root Cause: Duryea staff need to deepen their knowledge of the characteristics of economically disadvantaged/at-risk students and need to provide appropriate support such as: testing coordinator, parent liaison, behavior specialist, instructional paraprofessional.

Goals

District Goal 1: The percentage of students taking STAAR/EOC will increase performance at the Approaches Level from 80% to 90%, at the Meets Level from 56% to 71%, and at the Masters Level from 26% to 41% by 2029.

District Performance Objective 1.1: The percentage of eligible students scoring at the Approaches, Meets, and Masters Level on the District Progress Monitoring (DPMs) assessments will increase performance at the Approaches Level by 10%, at the Meets Level by 5%, and at the Masters Level by 3% by 2029.

Evaluation Data Sources: STAAR RLA, Math, and Science

Summative Evaluation: Significant progress made toward meeting Objective

Next Year's Recommendation: Continuing working towards this goal to make more progress.

Strategy 1 Details	Formative Reviews		
Strategy 1: ELAR Instructional Focus: We will increase students' STAAR performance by moving them from one achievement level to the next (Did Not Meet - Approaches - Meets - Masters) through rigorous instruction and intentional vertical alignment across all grade levels. Strategy: We will strengthen student achievement by vertically aligning lesson planning and assessment practices, fostering collaboration between General Education and Special Education teachers, and strategically structuring the curriculum to meet the specific needs of Duryea students. Strategy's Expected Result/Impact: To increase students' STAAR performance by moving them from one achievement level to the next (Did Not Meet - Approaches - Meets - Masters) Staff Responsible for Monitoring: IS's, AP's & Prinicpal	Formative		
	Nov	Feb	May
	 Some Progress	 Some Progress	 Accomplished
Strategy 2 Details	Formative Reviews		
Strategy 2: Math Instructional Focus: Duryea will increase Math STAAR performance across all grade levels and student subpopulations to meet or exceed the district average. Strategy: We will strengthen math achievement by building students' number sense, promoting consistent use of teacher notes as a learning tool, and improving students' comprehension and problem-solving skills with word problems. Strategy's Expected Result/Impact: To increase Math STAAR performance across all grade levels and student subpopulations to meet or exceed the district average. Staff Responsible for Monitoring: IS's, AP's & Principal	Formative		
	Nov	Feb	May
	 Some Progress	 Some Progress	 Considerable

Strategy 3 Details	Formative Reviews		
Strategy 3: Science Instructional Focus: Increase Science STAAR performance for African American and Special Education student groups to meet or exceed the district average. Strategy: We will strengthen science instruction by incorporating modeling during planning, ensuring vertical alignment across grade levels, holding teachers accountable for instructional preparedness, and delivering data-driven instruction. Strategy's Expected Result/Impact: To increase Science STAAR performance for African American and Special Education student groups to meet or exceed the district average. Staff Responsible for Monitoring: IS's, AP's & Principal	Formative		
	Nov	Feb	May
	 Some Progress	 Some Progress	 Accomplished
Strategy 4 Details	Formative Reviews		
Strategy 4: Students will receive lessons covering nutrition and fitness and will participate in fitness related events at the campus and district levels. Strategy's Expected Result/Impact: Improved understanding of nutrition and fitness Staff Responsible for Monitoring: Principal, PE Coach, Nurse, Classroom Teachers, Assistant Principals	Formative		
	Nov	Feb	May
	 Some Progress	 Moderate Progress	 Accomplished
Strategy 5 Details	Formative Reviews		
Strategy 5: Well-Rounded Education: Students will be provided the opportunity to participate in the following enrichment programs, courses, and/or activities in order to provide all students with a well-rounded education: baseball team, soccer team, bowling team, GT showcase, flag patrol, spelling bee, and PALS. Strategy's Expected Result/Impact: Provide students with the opportunity to have a well-rounded education. Staff Responsible for Monitoring: Principal	Formative		
	Nov	Feb	May
	 Moderate Progress	 Moderate Progress	 Accomplished

Strategy 6 Details	Formative Reviews		
Strategy 6: Title I: Students with an identified area of need based on STAAR or district progress monitoring will be provided with supplemental support based on their specific academic needs. Strategy's Expected Result/Impact: Salaries: 1 Testing Coordinator, 1 Parent Liaison, 1 Behavior Specialist and 1 Instructional Aide Instructional Supplies: Classroom supplies such as paper, Chromebook chargers, and other office supplies will help provide students with the supplies they need to be successful in class. Extra Duty Pay: Staff members will be paid for having 5 or more students in tutorials after school past contract time. This allows students to get additional one-on-one support. Extended Day pay: Staff member will be paid for training and additional planning outside of school that support our instructional goals listed in the CIP. Parental Involvement: We will increase parent involvement throughout the year with events like Meet the Teacher, Open House, Math Night, Reading Night and STEM Science Night. Staff members will communicate (using various methods) information about these events and other opportunities to support our goal of increased parent involvement. Staff Responsible for Monitoring: Title One Committee, Principal, Assistant Principals, Instructional Specialists, Title One Coordinator	Formative		
	Nov	Feb	May
	 Moderate Progress	 Moderate Progress	 Accomplished
Strategy 7 Details	Formative Reviews		
Strategy 7: Improving Student Engagement: Increase overall student engagement in learning by implementing interactive, student-centered instructional strategies across all classrooms. Strategy's Expected Result/Impact: 10% increase in student participation as measured by walkthrough data by May 2025. Staff Responsible for Monitoring: Principal, Assistant Principals, Instructional Specialists	Formative		
	Nov	Feb	May
	 Moderate Progress	 Moderate Progress	 Considerable
Strategy 8 Details	Formative Reviews		
Strategy 8: Improving Student Engagement: Teachers will increase the use of active learning strategies (such as cooperative learning, hands-on activities, and student choice) in daily lessons to promote higher student engagement. Strategy's Expected Result/Impact: 80% of teachers will consistently implement at least one active learning strategies per lesson, as observed during instructional walkthroughs. Staff Responsible for Monitoring: Principal, Assistant Principals, Instructional Specialists	Formative		
	Nov	Feb	May
	 Moderate Progress	 Moderate Progress	 Considerable
 No Progress  Accomplished  Continue/Modify  Discontinue			

District Goal 4: The percentage of students in grades K-2 who are proficient on the reading MAP or MClass assessment will increase from 90% to 95% by 2029.

District Performance Objective 4.1: The percentage of students who meet their RIT score or show observed growth on the MAP or MClass composite score will increase by 1% each year.

Evaluation Data Sources: MAP and MClass Data

Summative Evaluation: Significant progress made toward meeting Objective

Next Year's Recommendation: Continue working towards goal

Strategy 1 Details	Formative Reviews		
Strategy 1: Foundational TEKS will be taught daily utilizing HMH Structured Literacy Lessons. Strategy's Expected Result/Impact: Increased reading proficiency Staff Responsible for Monitoring: IS's, AP's, Principal	Formative		
	Nov	Feb	May
	 Some Progress	 Moderate Progress	 Accomplished
Strategy 2 Details	Formative Reviews		
Strategy 2: We will use district and campus data to differentiate literacy instruction via individual conferences, small group instruction, and/or strategy group instruction. Strategy's Expected Result/Impact: Increased reading proficiency Staff Responsible for Monitoring: IS's, AP's, Principal	Formative		
	Nov	Feb	May
	 Some Progress	 Moderate Progress	 Considerable

Strategy 3 Details	Formative Reviews		
Strategy 3: We will maintain a monitoring notebook to document individual students' progress. Strategy's Expected Result/Impact: Increased reading proficiency Staff Responsible for Monitoring: IS's, AP's, Principal	Formative		
	Nov	Feb	May
	 Some Progress	 Moderate Progress	 Considerable
 No Progress  Accomplished  Continue/Modify  Discontinue			

District Goal 5: The percentage of students in grades K-2 who are proficient on the math MAP will increase from 90% to 95% by 2029.

District Performance Objective 5.1: The percentage of students who meet their RIT score or show observed growth on the MAP will increase by 1% each year.

Evaluation Data Sources: MAP Data

Summative Evaluation: Some progress made toward meeting Objective

Next Year's Recommendation: Continue to work on goal

Strategy 1 Details	Formative Reviews		
Strategy 1: Math teachers will plan high quality instruction that strengthens students' understanding of math TEKS via rigorous learning experiences with district provided lessons and resources, including the use of math manipulatives. Strategy's Expected Result/Impact: Increased math proficiency Staff Responsible for Monitoring: IS's, AP's, Principal	Formative		
	Nov	Feb	May
	 Some Progress	 Moderate Progress	 Considerable
Strategy 2 Details	Formative Reviews		
Strategy 2: Math teachers will facilitate fluency activities at least 10 minutes per day within the lesson cycle. Strategy's Expected Result/Impact: Increased math proficiency Staff Responsible for Monitoring: IS's, AP's, Principal	Formative		
	Nov	Feb	May
	 Some Progress	 Moderate Progress	 Considerable
Strategy 3 Details	Formative Reviews		
Strategy 3: Math teachers will model and expect students to use a problem-solving process. Strategy's Expected Result/Impact: Increased math proficiency Staff Responsible for Monitoring: IS's, AP's, Principal	Formative		
	Nov	Feb	May
	 Some Progress	 Moderate Progress	 Considerable

Strategy 4 Details	Formative Reviews		
Strategy 4: Math teachers will incorporate small group instruction to meet the needs of individual learners. Strategy's Expected Result/Impact: Increased math proficiency Staff Responsible for Monitoring: IS's, AP's, Principal	Formative		
	Nov	Feb	May
	 Some Progress	 Moderate Progress	 Considerable
Strategy 5 Details	Formative Reviews		
Strategy 5: Math teachers will track student progress using Progress Monitoring Notebook. Strategy's Expected Result/Impact: Increased math proficiency Staff Responsible for Monitoring: IS's, AP's, Principal	Formative		
	Nov	Feb	May
	 Some Progress	 Moderate Progress	 Moderate Progress
Strategy 6 Details	Formative Reviews		
Strategy 6: Math teachers will use math manipulatives to help students develop a concept understanding of math TEKS. Strategy's Expected Result/Impact: Increased math proficiency Staff Responsible for Monitoring: IS's, AP's, Principal	Formative		
	Nov	Feb	May
	 Some Progress	 Moderate Progress	 Considerable
 No Progress  Accomplished  Continue/Modify  Discontinue			

District Guardrail 1 - Safe and Supportive Schools: The superintendent shall provide a safe, disciplined, and supportive environment conducive to student learning.

Performance Objective 1: Student Safety: By the end of the current school year, 100% of the district's safety policies will be implemented.

Evaluation Data Sources: Record of safety drills and other required safety actions
Record of Implementation of Campus Safety Committee Improvement Strategies

Summative Evaluation: Met Objective

Next Year's Recommendation: Continue to Meet Goal

Strategy 1 Details	Formative Reviews		
Strategy 1: Campus Safety: By the end of the current school year, 100% of the district's safety policies will be implemented. Strategy's Expected Result/Impact: 100% of the district's safety policies will be implemented. Staff Responsible for Monitoring: Principal, Assistant Principals, Teachers, Safety Committee	Formative		
	Nov	Feb	May
	 Moderate Progress	 Moderate Progress	 Accomplished
Strategy 2 Details	Formative Reviews		
Strategy 2: Conduct Emergency Safety Drills: Fire, Evacuate (non-fire), Lock down, Secure, Shelter (Weather), and Shelter (Hazmat) throughout the year and communicate effectively via radios. Conduct Weekly Exterior Door Sweeps. Strategy's Expected Result/Impact: 100% of Emergency Operating Procedure (EOP) safety drills will be conducted by scheduled deadlines. Staff Responsible for Monitoring: Principal, Assistant Principals	Formative		
	Nov	Feb	May
	 Some Progress	 Moderate Progress	 Accomplished
 No Progress  Accomplished  Continue/Modify  Discontinue			

District Guardrail 1 - Safe and Supportive Schools: The superintendent shall provide a safe, disciplined, and supportive environment conducive to student learning.

Performance Objective 2: Student Attendance: By the end of the current school year, student attendance will be at 95% or higher.

- Evaluation Data Sources:** Student attendance records
- Summative Evaluation:** Significant progress made toward meeting Objective
- Next Year's Recommendation:** Continue to work on goal

Strategy 1 Details	Formative Reviews		
Strategy 1: Implement a campus attendance action plan that supports incremental growth toward a 95% overall attendance rate. Strategy's Expected Result/Impact: 95% overall attendance rate Staff Responsible for Monitoring: Principal, Attendance Committee, Assistant Principals, Registrar, Teachers	Formative		
	Nov	Feb	May
	 Some Progress	 Some Progress	 Moderate Progress
Strategy 2 Details	Formative Reviews		
Strategy 2: Implement a school-wide multi-tiered framework to address patterns of non-attendance (excused and unexcused absences) Strategy's Expected Result/Impact: 95% overall attendance rate Staff Responsible for Monitoring: Principal, Attendance Committee, Assistant Principals, Registrar	Formative		
	Nov	Feb	May
	 Some Progress	 Some Progress	 Moderate Progress
No Progress Accomplished Continue/Modify Discontinue			

District Guardrail 1 - Safe and Supportive Schools: The superintendent shall provide a safe, disciplined, and supportive environment conducive to student learning.

Performance Objective 3: Behavior Management: In general, discipline will be designed to improve conduct and to encourage all students to be responsible members of the school community. Disciplinary action shall draw on the professional judgment of teachers and administrators and on a range of behavior management techniques, including restorative practices.

Evaluation Data Sources: Discipline reports

Summative Evaluation: Significant progress made toward meeting Objective

Next Year's Recommendation: Continue to work on goal

Strategy 1 Details	Formative Reviews		
Strategy 1: Violence Prevention: Teachers and students will participate in programming and monthly lessons that emphasize positive character traits. They will also engage in proactive, preventative measures aimed to teach rules, procedures, and expectations that create a positive school climate. We will use PBIS strategies including restorative practices, building relationships, and implement the suggestions from the PBIS and safety committee to reduce violent incidents on campus Strategy's Expected Result/Impact: Violent Incidents will be 0%. Staff Responsible for Monitoring: Principal, Assistant Principals, Behavior Interventionists, Teachers	Formative		
	Nov	Feb	May
	 Some Progress	 Moderate Progress	 Considerable
Strategy 2 Details	Formative Reviews		
Strategy 2: Behavior Management: Staff will be trained on restorative practices and are encouraged to use those strategies to help students contribute to the positive classroom/school environment. Students will participate in restorative practices Strategy's Expected Result/Impact: Students will be equipped with self-management strategies. Staff Responsible for Monitoring: Principal, Assistant Principals, Counselors, Behavior Interventionist	Formative		
	Nov	Feb	May
	 Some Progress	 Moderate Progress	 Moderate Progress

Strategy 3 Details	Formative Reviews		
Strategy 3: Bullying Prevention: Staff and students participate in direct instruction emphasizing bullying prevention, recognizing bullying behaviors, appropriate intervention, timely reporting, and more appropriate social skills. In addition, the campus will develop appropriate action plans based on the results of the Safe Schools Survey. Strategy's Expected Result/Impact: 1. Increased awareness and reporting of possible bullying incidents. 2. Decrease in bullying incidents/behaviors. 3. Improved classroom and/or school culture. Staff Responsible for Monitoring: Principal, Assistant Principal(s), Campus Bullying Committee	Formative		
	Nov	Feb	May
	 Some Progress	 Moderate Progress	 Considerable
Strategy 4 Details	Formative Reviews		
Strategy 4: Teachers will participate in CFISD's Classroom Management 101 course. Strategy's Expected Result/Impact: By the end of the 2025-2026 school year, 100% of campus teachers will be trained in CFISD's Classroom Management 101 course. Staff Responsible for Monitoring: Principal, Assistant Principal(s)	Formative		
	Nov	Feb	May
	 Some Progress	 Moderate Progress	 Accomplished
 No Progress  Accomplished  Continue/Modify  Discontinue			

District Guardrail 2 - Human Capital: The superintendent shall recruit, develop, and retain highly qualified and effective personnel.

Performance Objective 1: Teacher/Paraprofessional Attendance: By the end of the current school year, teacher/paraprofessional attendance will increase by 2%.

Evaluation Data Sources: Teacher/Paraprofessional Attendance Reports

Summative Evaluation: Significant progress made toward meeting Objective

Next Year's Recommendation: Continue working on goal

Strategy 1 Details	Formative Reviews		
Strategy 1: Teacher/Paraprofessional Attendance: Perfect / best attendance awards are given to both individuals and teams, Various staff awards/incentives are given to acknowledge staff regularly and encourage participation, Monthly: Three Distinguished Dolphin Awards - recognized once per month, Quarterly: Powerful Practice / Fundamental 5 ribbons, Annually: Grade level of the Year; Best Practices Awards Strategy's Expected Result/Impact: Teacher/paraprofessional attendance will increase by 5%. Staff Responsible for Monitoring: Principal, Assistant Principals, Team Leaders, Teachers, Paraprofessionals	Formative		
	Nov	Feb	May
	 Some Progress	 Some Progress	 Moderate Progress
 No Progress  Accomplished  Continue/Modify  Discontinue			

District Guardrail 2 - Human Capital: The superintendent shall recruit, develop, and retain highly qualified and effective personnel.

Performance Objective 2: Ensure that teachers and staff are Receiving High-Quality Professional Development: By the end of the current school year, 90% of teachers will receive job targeted professional development based on identified needs.

Evaluation Data Sources: Classroom implementation of professional learning

2025-2026 Elementary Content Area

Standard Expectations

Literacy (Reading and Writing)

- Maximize instructional time by developing, posting, and consistently following a literacy schedule containing all required daily components.
- Teach/re-teach the reading and writing process throughout the school year and ensure that students read and write each day.
- Foundational TEKS should be taught daily through explicit and systematic instruction.
- Utilize reading and writing strategies to teach and reinforce critical TEKS (think aloud, modeling reading and writing processes in lessons, interactive read aloud with accountable talk, independent reading and writing, small group instruction, conferring, and whole group share time).
- Use varied, authentic literature as mentor texts in reading and writing.
- Allow student choice during independent reading time from classroom and digital libraries.
- Post and use anchor charts, created with students, in literacy classrooms.
- Maintain a monitoring notebook as documentation of individual student's progress observed during small group instruction and/or reading/writing conferences.
- Use varied, research-based strategies to teach revising and editing skills and apply language conventions within the context of writing.
- Use District and campus data to differentiate literacy instruction using individual conferences, small group instruction, and/or strategy group instruction.
- Integrate social studies and theater arts TEKS in literacy classes through read aloud and the reading and writing block.
- 1:1 Technology in the Language Arts classroom should provide opportunities for students to:
 - Use Chromebook devices to engage in face-to-face and digital creation and collaboration
 - Locate and access information and resources stored in different platforms such as Google Drive and Schoology
 - Communicate and share conclusions using digital tools
 - Incorporate the use of digital tools such as:
 - Google Suite
 - Scholastic Literacy Pro
 - Scholastic Storyworks (2nd-5th)
 - Boost Reading
 - Amira Suite
 - HMH Suite
 - Achieve 3000
 - Schoology
 - Incorporate the use of technology inside the Language Arts classroom after explicit and systematic instruction of literacy processes has occurred, and when it is the most developmentally appropriate tool for the task being asked of the student

Mathematics

- Maximize instructional time by developing, posting, and consistently following a math schedule containing all required daily components.
- Model and expect students to use a problem-solving process by utilizing strategies included in Teacher Notes.
- Post and use classroom-created anchor charts in math classrooms.
- Use math manipulatives to help students develop concept understandings.
- Include teaching strategies and questions designed to promote higher-level thinking in lesson plans to improve first-time learning, which includes time for productive struggle.
- Use and encourage students to use precise mathematical vocabulary.
- Maintain a monitoring notebook as documentation of individual student's progress.
- Use Bloom in Math student booklets in Kindergarten-5th grade and Interactive Math Notebooks in 2nd-5th grade.
- Incorporate the use of small-group instruction to meet the needs of individual learners.
- Encourage student discourse/discussion including "what do you notice/wonder" and justifications.
- 1:1 Technology in the math classroom should provide opportunities for students to:
 - Use Chromebook devices to engage in digital creation and collaboration
 - Incorporate the use of digital tools such as ST Math, Performance Matters, Schoology, Google Suite, etc.
 - Incorporate the use of technology inside the math classroom when it is the most effective tool for the task being asked of the student
 - Communicate and share products using digital tools
 - Use district-approved technology to discover relationships and/or make connections between representations of mathematics, beyond skills practice

Science

Teachers will develop science-literate students by creating learning opportunities using the 5E Instructional Model that engage students in scientific practices that require them to

- Ask questions, identify problems, plan and conduct classroom and field investigations to answer questions according to grade-level TEKS expectations (K-1 = 80% of the time, 2nd-3rd = 60% of the time, 4th-5th = 50% of the time).
- Use an Interactive Science Notebook in 1st-5th grades to record observations and demonstrate understanding of scientific concepts.
- Utilize the Science Study Guide (2nd-5th grades) to interpret diagrams and research/locate/generate information.
- Utilize the daily learning intention referenced in District Lessons at the start of each science block.
- Facilitate and maintain a student-created Interactive Word Wall in 2nd-5th grades.
- Maintain a monitoring notebook as documentation of individual student's progress.
- Model the thought process utilized when analyzing scientific questions in 2nd-5th grades.
- Analyze data from observations and experiences to derive meaning, along with recurring themes and concepts.
- Engage in a common inquiry experience to make sense of and develop scientific concepts and academic language.
- Develop evidence-based explanations and communicate findings, conclusions, and proposed solutions.
- Engage respectfully in scientific discussion by listening, speaking, reading, and writing.
- Incorporate the use of technology when it is the most effective tool for the task.
- 1:1 Technology in the science classroom should provide opportunities for students to:
 - o Use Chromebook devices to engage in face-to-face and digital collaboration
 - o Locate and access information and resources stored in different platforms such as Google Drive and Schoology
 - o Collect and represent data using digital tools such as digital microscopes, Google Suite, etc.
 - o Communicate and share conclusions using digital tools

Elementary Physical Education/Health (K–5)

- Utilize best practices for providing skills-based instruction in elementary physical education and health
- Utilize best practices to achieve moderate to vigorous physical activity
- Differentiate teaching strategies to meet individual student needs including allowing for student choice when possible and appropriate
- Provide engaging instruction with the goal of promoting the development of lifelong health and fitness
- Utilize technology to encourage movement and physical activity as appropriate
- Utilize district curriculum resources available to teachers to provide rigorous and relevant learning experiences
- Provide the required fitness assessments for students in grades three, four, and five
- Participate in activities and events that promote school and community involvement

Elementary Music (K–5)

- Develop the singing voice as the foundation of music learning through folk, patriotic, seasonal, and songs of diverse genres
- Provide music experiences through activities that include listening, movement, improvisation, and playing a variety of classroom pitched and unpitched instruments
- Create lessons and utilize activities that develop understanding of the elements of music, such as rhythm, dynamics, melody, harmony, tone color (timbre), texture, and form
- Utilize district curriculum resources available to teachers to provide rigorous and relevant learning experiences
- Utilize technology to encourage music composition as appropriate
- Encourage students to connect learning in music with other areas of knowledge, such as math, reading, and social studies
- Participate in activities and events that promote school and community involvement

Visual Arts (K–5)

- Model and teach artistic thinking, which means prompting curiosity and asking questions to develop ideas.
- Design open-ended lessons that highlight student voice, creativity, and problem-solving approaches.
- Introduce a range of media, techniques, and processes, including technology (e.g., digital tools) to foster creativity, support skill development, and encourage original outcomes through engaging art projects and research opportunities.
- Explore visual art-related careers to connect learning with real-world opportunities.
- Encourage students to connect learning in art with other areas of knowledge, such as math, reading, science, and social studies.
- Reflect regularly on teaching practices to support continuous professional growth.
- Utilize the resources available to teachers, including the CFISD adopted instructional materials, CFISD Benchmarks, and CFISD Curriculum Standards.
- Incorporate technology to foster creativity through engaging digital art projects and relevant research opportunities.
- Encourage excellence by offering students various opportunities to compete and exhibit their work through contests and community events such as the Houston Rodeo School Art Contest, Texas Elementary Art Meet (TEAM contest), and campus or districtwide art exhibitions.
