

Data and Assessment Network

Overview

Data & Assessment Network meetings are held regularly throughout the year for administrators who are responsible for assessment, accountability and data management. The meetings provide a forum for participants to explore and exchange ideas and share locally created resources. The Data and Assessment Network meetings offer opportunities for LEA staff to network with colleagues, ask questions and get answers to questions about assessment, accountability, data, and more.

Audience

District leaders and administrators responsible for assessment, accountability, and data management.
