South Harrison Township Elementary School District

Dr. Elizabeth Winterburn
Superintendent/Principal

Mrs. Jennifer Kelleher
Curriculum Supervisor

Mrs. Katie Sachs
Assistant Principal/CST Supervisor

The Advanced Math program is designed for students who can work well above grade level in mathematics.

Advanced Math Rubric

Students must earn at least 10 points based upon the following criteria:

5th Grade Average Math Grade		**i-Ready Math Diagnostic Percentile (Spring)**	
95% to 100%	92% to 94%	75th+ percentile	60th-74th percentile
2 points	*1 point*	*2 points*	*1 point*
Envisions 6th Grade Readiness Assessment		**5th Grade End of Year Cumulative Assessment**	
80% +	70-79%	80%+	70-79%
2 points	*1 point*	*2 points*	*1 point*

Work Habits and NJSLS Mathematical Practice Standards:

In addition to effective work habits (attendance and work completion), the student demonstrates mastery in the following standards, which will be assessed by their 5th Grade Math teacher:

1. Make sense of problems and persevere in solving them.
2. Reason abstractly and quantitatively.
3. Construct viable arguments and critique the reasoning of others.
4. Model with mathematics.
5. Use appropriate tools strategically.
6. Attend to precision.
7. Look for and make sense of structure.
8. Look for and express regularity in repeated reasoning.

Mastery of at least 7 standards	Mastery of at 5-6 standards
4 points	*2 points*

To continue in the Advanced Math course, students must maintain a B average by the end of each Trimester.
