Paul Laurence Dunbar High School – Roof Replacement

- **Completed/Work in Progress:**
  - Penthouse sloped roofing is 75% complete.
  - High wall flashing installation underway over areas ‘A’ and ‘B’.
  - Steady progress on SBS roofing system installation.

- **Upcoming Look Ahead:**
  - SBS insulation and base layer work over classroom areas to be complete by the end of next week.
  - Cap sheet over remaining classroom areas to be complete the week after.
  - The two following weeks will be spent getting the cafeteria wing SBS system installed.
  - Sheet metal is ready to ship from factory for standing seam roofing and copings.
