

Dear Parent/Guardian,

I am excited that your child is interested in the North Anime Club. This group of students will meet in room B101 every Thursday after school until 5:30 p.m. I have run this club for a few years now and the students have really enjoyed it. This year I am asking for parents or guardians to sign a permission slip so that they are aware their child is staying for the club. Your child should be picked up no later than 5:30 pm at door 1. **The student cannot stay unless they have turned in a sign permission slip.**

Thank you so much,

Stephanie Cranny- IMPACT Assistant

First meeting will be **September 10, 2026**
