Dear Senior Families,

It's time to celebrate your student's achievements and the exciting journey of high school! Some traditions grow stronger with time—it is time to prepare to celebrate graduation and to honor accomplishments, perseverance, and the story your student is writing during these memorable years. We are excited to announce that Jostens will be on campus for senior orders:

Date: Tuesday, September 1st - graduation (cap & gown) orders for the Class of 2027.
Time: 11:00 - 12:15 pm (during lunch)
Location: Commons

Graduation packets were distributed during a Senior Class Meeting at school on Wednesday, August 26th. Please remind your student to bring their packet home (extra packets are available in the main office with Mrs. Brooks). In this packet is the graduation catalog, sample announcement, and order form.

This is the time that Caps and Gowns, Graduation Announcements, Senior Apparel, and other graduation accessories will be ordered. You can also still order your class ring if you haven't done so yet, with no additional deposit.

An $80.00 deposit is requested at the time of order if your order is greater than $80.00. If your order is less than $80.00, full payment is requested, but not required. THE FINAL PAYMENT WILL NOT BE DUE UNTIL 2/1/27. On order day, all items listed in red on the order form will be distributed.

*Graduation Products ARE NOT AVAILABLE ONLINE. If you can't make the order time, please turn your order into the high school main office, with Mrs. Brooks before the order date or call Jostens directly at (636) 230-7350
