

What is a School-Parent Compact?

A School-Parent Compact is an agreement that families, students, and teachers develop together. It explains how families and teachers will work together to make sure all students reach grade-level standards.

Effective Compacts

- Link goals to the School Improvement Plan.
- Focus on students learning skills.
- Describe how the school will help students develop skills using high tech instruction.
- Share strategies that families can use at home.
- Explain how teachers and families will communicate about student progress.

Communication is Key

Havelock Elementary School is committed to frequent two-way communication with families about student learning. Some of the ways you can expect us to reach you are:

- ClassDojo
- Weekly Folders
- Weekly school-wide phone or text messages
- Updates on social media
- Parent-Teacher Conferences
- Email

Activities to Build Partnerships

Open House/Reading Night: Held each September or October, this event provides families with an opportunity to learn about and better understand our school's data, goals, and areas of growth. Families will also learn about current reading initiatives and ways they can support literacy development at home.

Math Night – Students and their families come together to explore real-world math concepts through engaging, hands-on activities. This fun and interactive event encourages families to experience how mathematics is used in everyday life.

Science Night – Families are invited to explore and celebrate student learning by viewing science projects created by our students and participating in hands-on investigations and activities that bring science to life.

Soaring to Success Together

HES Staff

In the classroom as a teacher, I pledge to:

- Provide motivating and interesting learning experiences in my classroom.
- Explain my expectations, instructional goals, and grading system to my students.
- Explain and reinforce the code of student conduct to the students and families.
- Communicate and cooperate with each family to ensure the best education possible.
- Utilize techniques and materials that work best for the students.

HES Students

As a student I pledge to:

- Work as hard as I can on my school assignments.
- Discuss with my family what I am learning in school.
- Follow the Code of Student Conduct.
- Ask my teacher questions when I do not understand something.

HES Families

As a family we pledge to:

- Provide a quiet study time at home and encourage good study habits.
- Talk with my child about school activities every day.
- Reinforce the code of student conduct each day.
- Learn how my child is progressing by attending conferences, reviewing school work, and communicating with the school in a positive manner.
- Encourage my child to read to his/herself and to me.

Havelock Elementary School Goals

- HES will use data to set priorities, align resources, build stakeholder support, and lead continuous improvement.
- HES will implement high-quality instruction and use data to improve outcomes.
- HES will build and sustain a positive school culture, develop staff capacity, and strengthen teams.
- HES will manage operations efficiently, strengthen partnerships, and remove barriers to support student success.
