Academic UIL Permission Form 2026-2027

Cheek Middle School offers students a chance to enhance their knowledge and skills through competing in Academic UIL. Academic UIL allows students to compete (twice a year) in academic subjects against the other middle schools in the district. Each event has practices. While these practices are not mandatory, each practice does help students refine their skills, making it in their best interest to try and attend as many practices as possible. Students are allowed to compete in multiple events (and many often do). However, occasionally practices conflict with their other interests and extracurricular activities. If the subject that your student would like to compete in conflicts with another activity, he/she should speak to their respective coaches in order to arrange a way to alternate practices or meet at a different time. Both the guardian and their student are responsible for transportation to and/or from Cheek Middle School depending on the particular practice/s they are participating in.

Please place a check mark beside one or more of the events that your student is interested in competing in. If a student is unsure about a particular event, they are encouraged to visit with the coaches and observe a few practices to see if it is an event that they would like to try. If you have any questions, email Ms. Wiser at rwiser@dentonisd.org. **Practices will begin the week of September 14th.**

“Dear Denton ISD Parents,

Student clubs are an important part of the Denton ISD experience, offering opportunities for students to explore interests, develop leadership skills, and discover new talents. These co-curricular activities help students grow as individuals and contribute to a vibrant school community.

In alignment with Senate Bill 12, Denton ISD will now require parent or guardian consent for students to participate in any campus club. This process ensures that families are informed about the organizations and activities their child chooses to join.

Parents and guardians can submit the required authorization form online by visiting www.dentonisd.org/clubs.”

This **MUST** be filled out online before students can participate in UIL. Please be sure to go online and fill out this form. Thank you!
