TRUCE® FAMILY

Keep Phones Close.
Keep Students Focused.
Keep Families Connected.

Your school is taking a smarter approach to phones!

Your school is excited to introduce TRUCE Family — a free program that helps students stay focused and safe while keeping their phones with them throughout the school day. Instead of taking phones away, TRUCE Family ensures they're used responsibly, supporting learning while maintaining access for safety and communication when it's needed most.

New Egypt High School

School Code:

NEWEGYPT26

(Used on student's profile to link to school)

1 GET THE APP

Download the TRUCE Family app on your phone, then complete setup to create your family account.

(Save the School Join Code for the next step)

2 ADD YOUR STUDENT

As a parent, tap **Add Family Member** to add your child.

•••

Create your child's profile and enter the School Join Code to link them to their school.

3 STUDENT LOGS IN

Have your student download the TRUCE Family app on their phone.

•••

They'll log in with your invitation and approve all permissions.

App Installation

Download iOS

Download Android
