Title 1 Information for Havelock Elementary School

Havelock Elementary School is a school-wide Title 1 school. This means our school receives federal money for our enrollment of free/reduced lunch numbers. The money is used to improve academic achievement. The Title 1 funds are used to hire personnel, improve curriculum, enhance parent involvement, and extend learning time for students who need extra help. These opportunities are provided to students throughout the school.

At Havelock Elementary School, a Title 1 school, parents and community members are welcome and invited to participate in the various activities and involvement options we have at our school. We believe that a partnership with our parents and community is essential to ensure student academic success.

We encourage our families and community to participate in our school events, and become a volunteer for Havelock Elementary. There are many opportunities to be involved with our school's students to increase their overall success.

More information can be found on our website under "About Us", then select "Title 1."
