WRITING

Write From the Beginning and Beyond Curriculum

Write from the Beginning and Beyond is a Thinking Maps based writing program that helps students organize, elaborate and construct multiple genres.

- Narrative
- Opinion
- Informative/Explanatory
- Response to Reading

Thinking Maps

Nothing Notebooks

Your child will write you a weekly letter about their week. It will come home each Friday in their Friday Folder.

Please write a letter back to your child and put the notebook back in their Friday Folder. They will read your letter each Monday when they get to school.

READING

Colorado Academic Standards:

- Interpret literary texts
- Interpret Informational texts
- Response to reading

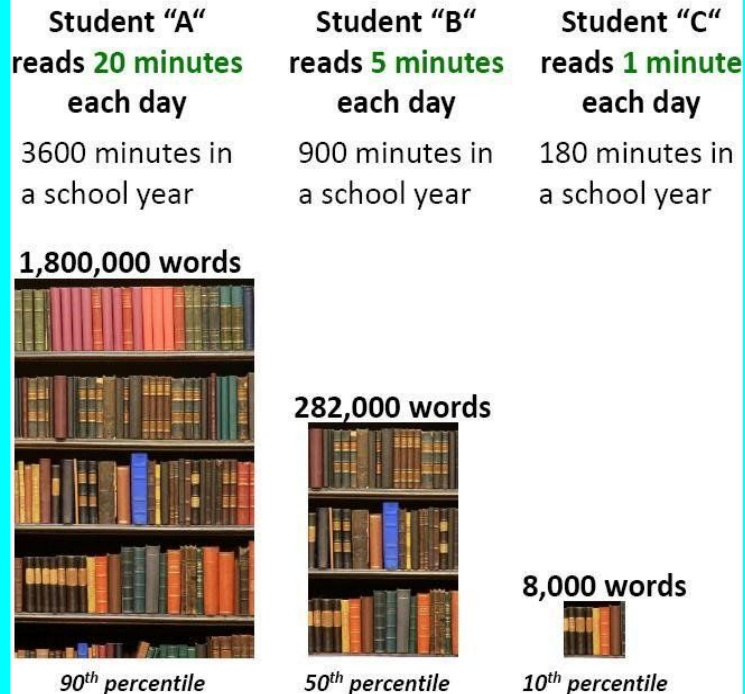

Storyworks:

A literary magazine that supports all of the 4th grade Literacy Standards. Each issue features fiction, nonfiction, poetry and plays. Every student will receive a monthly issue.

HMH:

A reading curriculum to support the Colorado Academic Standards.

Why Can't I Skip My 20 Minutes of Reading Tonight?

By the end of 6th grade Student "A" will have read the equivalent of 60 whole school days. Student "B" will have read only 12 school days. Which student would you expect to have a better vocabulary? Which student would you expect to be more successful in school...and in life?

(Nagy & Herman, 1987)
