

BOARD BYLAWS

Remote Meetings and Attendance

The Governing Board recognizes the need, when permitted by law, to hold Board meetings in which the Board members meet remotely or in which individual Board members attend and participate remotely.

Definitions

Local emergency means either of the following that impacts persons under the jurisdiction of the district or property within the boundaries of the district: (Government Code 54953.8.2)

1. A condition of extreme peril proclaimed by a city, county, or city and county pursuant to Government Code 8630
2. A local health emergency proclaimed pursuant to Health and Safety Code 101080

Remote means not being physically present at the primary in-person location of a Board meeting, and includes the terms "teleconference" and "virtual."

Remote attendance and participation means the ability to attend and participate in a Board meeting by electronic means, through either audio or visual technology, or both.

Remote Board Member means a Board member, not physically present at the Board meeting, who nonetheless seeks to attend and participating in a Board meeting.

State of Emergency means state of emergency proclaimed pursuant to Government Code 8625.

Traditional Method of Remote Attendance

A remote Board member may attend and participate in a Board meeting so long as all of the following conditions are met: (Government Code 54953)

1. All votes taken during the meeting are by rollcall
2. The meeting is conducted in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the Board
3. The physical location of the remote Board member is open and accessible to the public during the meeting, except during closed session, such that members of the public may observe in person the remote Board member; may hear, listen to, or watch the meeting to the same extent as the remote Board member; and may make public comment during the same portion of the agenda as other members of the public from the same location as the remote Board member

4. The location from which the remote Board member will attend the meeting is noted in the agenda and the agenda is posted at that location in advance of the meeting as statutorily required based on the type of meeting
5. At least a quorum of the Board is within district boundaries

Remote Attendance as an Accommodation

A Board member with a qualifying disability under the Americans with Disabilities Act that precludes the Board member from attending a Board meeting in person or from attending and participating remotely in a Board meeting using the method specified in "Traditional Method of Remote Attendance" above may request to attend and participate remotely as a reasonable accommodation for the Board member's disability.

If the request is granted based on the district's process for reviewing reasonable accommodations, the remote Board member shall be permitted to attend and participate in the Board meeting as long as the following requirements are met: (Government Code 54953)

1. All votes taken during the meeting are by rollcall
2. The remote Board member utilizes both audio and visual technology to participate in the meeting, except no visual technology shall be required if a physical condition related to their disability results in a need to participate off camera
3. The remote Board member publicly discloses, before any action is taken, whether any individual 18 years of age or older is present at the Board member's location and the general nature of the member's relationship with each such individual

In this circumstance, the following conditions are not required: (Government Code 54953)

1. Including the location of the remote Board member in the agenda
2. Making the location of the remote Board member open and accessible to the public
3. Posting the agenda at the location of the remote Board member

Additionally, in this circumstance, the remote Board member shall be considered to be attending in-person at the physical meeting location for all purposes, including any requirement that a quorum participate from any particular location. (Government Code 54953)

These requirements and conditions may be modified as required by law or the district may offer another reasonable accommodation as appropriate.

Remote Attendance Due to Just Cause

Beginning July 1, 2026, a remote Board member may attend and participate in a Board meeting based on any of the following "just cause" reasons: (Government Code 54953.8.3)

1. A childcare or caregiving need of a Board member's child, parent, grandparent, grandchild, sibling, spouse, or domestic partner that requires the Board member to attend and participate remotely
2. A contagious illness that prevents a Board member from attending in person
3. A need related to a Board member's physical or mental condition not otherwise reasonably accommodated
4. A Board member is traveling while on official business of the Board or another state or local agency
5. An immunocompromised child, parent, grandparent, grandchild, sibling, spouse, or domestic partner of a Board member requires the Board member to attend and participate remotely
6. A physical or family medical emergency prevents a Board member from attending in person
7. Military service obligations that result in a Board member being unable to attend in person because the Board member is serving under official written orders for active duty, drill, annual training, or any other duty required as a member of the California National Guard or a United States Military Reserve organization that requires the Board member to be at least 50 miles outside the boundaries of the district

The remote Board member shall notify the Board at the earliest possible opportunity, including at the start of a Board meeting, of the need to attend and participate remotely for just cause, including the general circumstances of the Board member's need to attend and participate remotely. The remote Board member need not disclose any medical diagnosis or disability, or any personal medical information that is otherwise exempt under existing law. The minutes for the Board meeting shall identify the specific provision that is the basis for the just cause. (Government Code 54953, 54953.8.3)

Additionally, when a remote Board member attends and participates in a Board meeting based on just cause, all of the following conditions shall be met: (Government Code 54953, 54953.8, 54953.8.3)

1. All votes taken during the meeting are by rollcall
2. The meeting is conducted in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the Board

3. The public is able to access the meeting via a two-way audiovisual platform or a two-way audio service and a live webcast, with real-time public comment being allowed via the platform or service, in addition to public comment being available in person

The platform or service may require members of the public to register in order to make public comments as long as the platform or service is not controlled by the district.
4. The agenda for the meeting includes information describing how members of the public can access the platform or service and how members of the public can offer public comment
5. The minutes of the Board meeting state that the remote Board member attended and participated remotely
6. At least a quorum of the Board participates in person from a singular physical location clearly identified on the agenda and which is within district boundaries and is open to the public
7. The remote Board member utilizes both audio and visual technology to participate in the meeting
8. The remote Board member publicly discloses, before any action is taken, whether any individual 18 years of age or older is present at the Board member's location and the general nature of the member's relationship with each such individual

In this circumstance, the agenda need not include the location of the remote Board member or be posted at that location, and the location of the remote Board member need not be open and accessible to the public. (Government Code 54953, 54953.8)

The Board shall give notice of the means by which members of the public may access the meeting and offer public comment. The agenda shall identify and include an opportunity for all persons to attend via a call-in option or an internet-based service option. (Government Code 54953.8)

If the platform or service is disrupted such that the public cannot access the meeting or give real-time public comment, the Board meeting may continue but the Board may not take action on any agenda item until public access to the meeting is restored. (Government Code 54953.8)

A remote Board member may attend and participate in no more than five Board meetings per year for just cause. (Government Code 54953.8.3)

Remote Board Meetings During a Proclaimed State of Emergency

The Board may conduct a remote Board meeting during a proclaimed state of emergency or local emergency in either of the following circumstances: (Government Code 54953.8.2)

1. For the purpose of determining, by majority vote, whether meeting in person would present imminent risks to the health or safety of attendees due to the emergency
2. When the Board, pursuant to Item #1 above, has determined that meeting in person would present imminent risks to the health or safety of attendees due to the emergency

In either such circumstance, the Board may hold a remote Board meeting without: (Government Code 54953.8, 54953.8.2)

1. Including the location of Board members in the agenda
2. Making the locations of Board members open and accessible to the public
3. Posting the agenda at the locations of Board members
4. Having at least a quorum of the Board members within the district boundaries

When the Board holds such a meeting, all of the following shall be followed: (Government Code 54953.8, 54953.8.2)

1. All votes taken during the meeting are by rollcall
2. The public is able to access the meeting via a call-in or audiovisual platform or service, with real-time observation of the meeting and public comment being allowed via the platform or service

The platform or service may require members of the public to register in order to make public comments so long as the platform or service is not controlled by the district.

3. The agenda for the meeting includes information describing how members of the public can access the platform or service

The Board may continue to conduct all Board meetings remotely throughout one or more 45-day periods as long as, prior to the beginning of each 45-day period, the Board has reconsidered the circumstances of the proclaimed state of emergency or local emergency and determined that it continues to directly impact the ability of the Board to meet safely in person. (Government Code 54953.8.2)
