

HOST A STUDENT. CHANGE A LIFE. ENRICH YOUR OWN.

Hosting was the best decision we ever made!

Why host?

- **It's FREE!!** You only have to feed an extra mouth, provide a bed and a welcoming home
- It's a short-term commitment: **ONLY 4 weeks**
- Your family will attend **free group outings** (baseball games, amusement parks, bowling, etc.)
- You will host someone **matched to YOUR family** (students 12-17 years old)
- Your kids will **earn volunteer hours** and **build their resumes** (think college apps & internships!)
- Your family will **learn about another culture** and **improve their Spanish or French**
- You'll **make friends** from around the world and **open the door to travel** for your entire family
