RESOLUTION NO. 27-03

RESOLUTION TO ADOPT PROFESSIONAL EXPERIENCE QUALIFICATIONS TO TEACH TRANSITIONAL KINDERGARTEN

WHEREAS, Education Code section 48000, subdivision (g)(4), authorizes the Governing Board to assign a certificated employee to teach in a transitional kindergarten setting if the employee has one of the following by August 1, 2025: (A) at least 24 units in early childhood education, or childhood development, or both; (B) as determined and documented by the local educational agency employing the teacher, professional experience in a classroom setting with preschool age children meeting the criteria established by the governing board or body of the local educational agency that is comparable to the 24 units of education described in subparagraph (A); or (C) a child development teacher permit, or an early childhood education specialist credential, issued by the Commission on Teacher Credentialing; and

WHEREAS, the Kingsburg Elementary Charter School District ("District") has a need for transitional kindergarten teachers; and

WHEREAS, the District has an interest in recognizing professional classroom experience with preschool-age children that is comparable to 24 units in early childhood education and/or childhood development pursuant to Education Code section 48000(g)(4)(B); and

WHEREAS, the District recognizes that serving as the teacher of record in a transitional kindergarten classroom, while serving under a valid credential or permit issued by the California Commission on Teacher Credentialing that authorized the individual to serve as the teacher of record in the assignment, for the equivalent of one complete school year provides valuable professional classroom experience with preschool-age children that is comparable to 24 units in early childhood education and/or childhood development under Education Code section 48000(g)(4)(B); and

WHEREAS, the District recognizes that serving as the teacher of record in a classroom setting with preschool-age children for the equivalent of three complete school years, together with completion of 12 units in early childhood education, childhood development, or both, provides valuable professional classroom experience that is comparable to 24 units in early childhood education and/or childhood development under Education Code section 48000(g)(4)(B); and

WHEREAS, the Governing Board desires maximum flexibility in the assignment of certificated employees to best meet the needs of the students and programs of the District.

THEREFORE BE IT RESOLVED that the Board determines that, for purposes of Education Code section 48000(g)(4)(B), professional experience comparable to 24 units in early

childhood education, childhood development, or both, includes completion of the equivalent of one complete school year as the teacher of record in a transitional kindergarten classroom while serving under a valid credential or permit issued by the California Commission on Teacher Credentialing that authorized the individual to serve as the teacher of record in the assignment; or three complete school years as the teacher of record in a classroom setting with preschool-age children and completion of 12 units in early childhood education, childhood development, or both;

BE IT FURTHER RESOLVED that, for purposes of this Resolution, the equivalent of one complete school year means service for at least 75 percent of the number of days the regular schools of the local educational agency in which the individual was employed were maintained, consistent with the service standard described in Education Code section 44908;

BE IT FURTHER RESOLVED that qualifying professional experience may have been obtained within the District or another local educational agency, provided the District obtains documentation sufficient to verify the nature, duration, setting, and authorization under which the professional experience was obtained; and

BE IT FURTHER RESOLVED that this Resolution supersedes Resolution No. 26-02 regarding the professional experience criteria established by the Governing Board pursuant to Education Code section 48000(g)(4)(B); and

BE IT FURTHER RESOLVED that the Superintendent or designee shall determine and document whether an individual teacher's professional experience meets the criteria established by this Resolution and is comparable to 24 units in early childhood education, childhood development, or both, for purposes of Education Code section 48000(g)(4)(B), and is authorized to take all steps necessary to carry out the provisions of this Resolution.
