## **Social Events and Class Trips**

### **Purpose**

The Board recognizes the value of student social events and class trips in enhancing and enriching the school experience for students.

### **Authority**

The Board shall make school facilities available and provide appropriate staff for social events within the school facilities that have been approved by the building principal.[1]

Class trips and social events that take place outside of school facilities require approval by the Board.[2]

As voluntary participants in school social events and class trips, students shall be held responsible for compliance with district policies and rules. Infractions of those policies or rules will be subject to the same disciplinary measures applied during the regular school program.[3]

Participation in school events is not a right and may be denied to any student who has demonstrated disregard for Board policies, administrative regulations or school rules.

### **Delegation of Responsibility**

The Superintendent or designee shall develop administrative regulations governing the conduct of student social events and class trips.
