## Challenge Charter School Week of: August 31, 2026

Core Knowledge is #1! We get it done with fun! Hands-on, Right on! Integrated Science, Social Studies, Math, and Language Arts!

**Here's what we'll be learning next week...**

### Math

**We will begin our triple digit subtraction with place value unit.**

***A third grade expectation is to learn our 0-12 table for multiplication. Our first multiplication test will be on 10/9 and will cover tables 0-5.***

***Please note: Students are allowed to use a multiplication chart on work not directly testng fact fluency.***

### Science

We will be finishing up our light portion of this unit and starting with sound! We are having a great time with the hands on lessons for this unit!

### Viking Projects:

We hope the projects are coming along nicely. Please do not send in project until 09/15 as we do not have the storage space.

### ELA

**Reading:**

*We will be learning to identify main ideas and supporting details and working on making connections with our reading.*

***Writing**: We will be learning to write more complex sentences.*

***Grammar**: We are beginning to learn our prepositions and how to identify them in a sentence.*

***Spelling**: We will be introducing our next syllable: SILENT E*

**Scan for our third grade wish list.**

*We are also collecting toilet tissue cardboard tubes.*

### Core Knowledge Saying:

### VIRTUE: Responsibility

Student demonstrating our core virtues will often earn a "Virtue Buck" which enters them into a drawing to be honored at the monthly assembly!
