Competitive Edge Sign-Up!

It is time to sign your kindergarten student up for the Competitive Edge Savings Program! This is a FREE program offered to families of LPS kindergarten students. The Foundation will designate them as beneficiaries of the Foundation's educational savings account. The Foundation contributes seed money and those funds grow throughout the student's LPS educational career. Upon graduation from an LPS high school, the funds may be used for any accredited post-secondary education or skills training program.

The 2026-27 LPS kindergarten students have until February 1, 2027 to register!
