ABOUT THE PROGRAM

The Migrant Education Program is in its 31st year of operation in the Long Beach Unified School District. This federally funded program serves children whose parents or relatives work—or have worked within the last three years—in fishing, forestry, livestock, or agriculture-related jobs, including packing, picking, planting, pruning, transporting agricultural products, and meat or egg packing.

TITLE I, PART C

The MEP is authorized by Part C of Title I and supports high-quality, comprehensive educational programs for migrant children to help reduce educational disruption and other issues resulting from repeated moves.
