ENROLLMENT

- ❖ Total enrollment: 1504 students
- ❖ Class of '27: 391 students

LLHS sees frequent relocations as families move in and out of the area. Our campus is significantly impacted, and students often do not get the classes they request. Reflective of our community, the student body represents diverse ethnic, racial, religious, and socioeconomic groups. This year, budget cuts prevented some students from taking their top-choice courses, which may have reduced the academic rigor of their schedules.

LLHS calculates GPA on a weighted and unweighted 4.0 scale. A=4, B=3, C=2, D=1, F=0. AP/Honor courses carry an additional point. A D is a passing grade. LLHS does not report individual class rank.

Final transcripts reflect weighted and unweighted GPAs. The cumulative GPA is the average of all courses. College prep courses that meet the University of California A-G requirements are indicated with a "P" (college prep), "H" (honors), or "A" (AP). Non-college prep courses are marked with an "E" (elective), "N" (non-college prep), or "M" (modified curriculum). Pluses and minuses appear on transcripts but are not used in computing GPAs.
