Tinkerfest is a celebration of curiosity and creativity for all ages! Explore more than 20+ interactive, hands-on activities hosted by community exhibitors designed to engage and inspire your inner builder, coder, scientist, artist and tinkerer. Each activity invites children and families to make, invent and play! As part of our America 250th celebration, grab a map and tour the galleries to find the diverse, innovative stories of Hoosier's contributions to our nation.
