The SAEBRS and mySAEBRS norms are the basis of the corresponding benchmarks. The benchmarks were created by identifying cut scores from the SAEBRS and mySAEBRS norms. These benchmarks have been defined as follows:

- ***Low risk:*** *scores above the 16th national percentile*
- ***Some risk:*** *scores from the 3rd to the 16th national percentile*
- ***High risk:*** *scores below the 3rd national percentile*
