Comments

Board Member Steve Corona expressed appreciation for the enjoyable day and thanked the Snider staff and others who organized the Board meeting and stadium celebration. Member Corona especially appreciated the opportunity to honor Russ Isaacs.

Board Member Maria Norman thanked everyone who worked behind the scenes to make the Board meeting possible at a different location, Snider Auditorium and congratulated everyone involved with the new stadium. After nine years on the Board and many discussions about the project, she was emotional and excited to finally see the stadium completed. Member Norman also wished students, families, teachers, and bus drivers a successful first day of school and a positive start to the school year.

Board Member Julie Hollingsworth shared how much she enjoyed the stadium ceremony and congratulated the Snider community on the long-awaited facility. She also recognized Russ Isaacs for 50 years of service to Snider High School and the community. Member Hollingsworth enjoyed holding the Board meeting at Snider and suggested periodically rotating meetings among the district's high schools. She concluded by wishing staff, students, parents, bus drivers, and others a successful start to the school year.

Board Member Antonette Payne praised the stadium and the additional facilities included in the project, including the locker rooms and concession areas, and complimented Hagerman's work. As a Snider graduate, she was especially excited to see the long-awaited stadium become a reality. Member Payne thanked those who arranged the Board meeting at Snider and supported the idea of rotating meetings throughout the community. She also wished parents, teachers, and students a great beginning to the school year.

Board Member Jennifer Matthias also a Snider alum, described the stadium celebration as an emotional and exciting moment after years of anticipation. She was pleased to see former teachers, classmates, teammates, and other community members attend the dedication. Member Matthias also reflected on recent visits with retired teachers at Blackhawk Middle School and noted similar connections at North Side, saying these relationships demonstrate the strong sense of community FWCS creates for both students and staff. She encouraged others to become part of the FWCS community and expressed excitement for the upcoming school year.

Board Member Willie Burton described it as an exciting time to be a Panther and an exciting beginning for students and families throughout the district. Member Burton wished teachers, families, and students a successful and enjoyable school year. As a parent who will also be getting a student ready for school, he related to the challenges of returning to the school-year routine.

Superintendent Dr. Mark Daniel praised the quality of the new stadium and said the district created a lasting facility rather than compromising on the project. He commended the Board for having the courage to make the investment and noted that current state funding conditions could make such a project more difficult today. Superintendent Daniel thanked Rosie Shipman and her team for organizing the event and recognized Darren Hess, Heather Krebs and the project team for ensuring the stadium was completed on time. He described the stadium as a college-quality facility that will benefit student-athletes, including those preparing to compete at the Division I level.

Board President Noah Smith recognized Brad Smith and Hagerman Construction for their enthusiasm and commitment to the stadium project, noting that many Hagerman employees had personal connections to Snider. He thanked Mayor Sharon Tucker for honoring Russ Isaacs and recognizing the stadium dedication, and Member Smith highlighted upcoming opportunities for soccer, band, and other activities to use the facility. He emphasized that the bond funding, which did not raise taxes, supported improvements across middle and high school athletics, not just the Snider stadium, and noted that project savings would help support additional work at North Side. He thanked the many staff members who made the remote Board meeting possible and expressed support for holding future meetings at schools throughout the district. Finally, he recognized FWCS Legal Counsel David Amen, who is leaving to return to Chicago with his family, and thanked him for his guidance, leadership, and service to the Board and district.
