

Principal Message:

Meridian Community:

On Friday all students got to celebrate the Mustang Mile Fall Festival Kickoff. We invited the PTO Mustang Mile Committee in to meet with each grade level to present to the students. In this meeting, the theme of this year's MM was presented, students were given this year's t-shirt (designed by 5th grader **Blake Magdaleno**), and prize categories were introduced. There was also a slide show and video shown to introduce our theme, which I have linked below with some strong reservations (you'll understand when you see it).

[Mustang Mile Kick-off Presentation & Video](#)

It is the contributions of our entire community that makes the Mustang Mile our biggest event of the year and helps to raise extra funds that allow us to do all the fun and extra things kids and staff love. Whether students are able to fundraise \$1 or you can do more, it is important that everyone is a part of it and feels the sense of accomplishment when we do something all together. We encourage students to do some extra chores, help out a neighbor, or make something to sell so that they have a stake in the contribution they make.

We appreciate all the efforts our families make this time of year to make the Mustang Mile a huge success for our kids! We can't wait to see the whole community out on Sept. 18.
