

Welcome Back, Ravens!

I hope you had a fun and relaxing summer. I'm excited to see everyone back and ready for a new school year!

Since I'm fairly new to Juanita, I'd love to get to know you! Even if you don't need anything, stop by the College & Career Center just to say hi. 😊 Come introduce yourself, tell me a little about you, or just come hang out for a minute.

Of course, I'm also here to help with all things college, careers, scholarships, applications, and just figuring out what comes next.

This fall, I will be hosting college rep visits on the following days and times:

Monday: 10:25-11:40 AM

Tuesday: 10:25-11:40 AM and 1-1:30 PM (2nd Lunch)

Wednesday: 1-1:40 PM

Please check the CCC Events Calendar on the CCC webpage for details and updates. Other information sessions and workshops will also be posted there.

Have questions? Not sure where to start? Come see me! I'm always happy to help, answer questions, or point you toward some great opportunities. I'm looking forward to meeting you and getting to know the Juanita community.

Let's make it a great year!

Rose Wu, College & Career Guidance Specialist

[JHS College & Career Center webpage](#) has everything students need in one place, whether you're looking for the CCC Events Calendar, Scholarship and Financial Aid information and announcements, opportunities for you, resources about college and career planning, CCC news, etc., you will find it there!

Stay connected- follow the [JHS College and Career Center Instagram Account](#) and get “instant” information about colleges, scholarships, financial aid, opportunities and more.

Scholarship Spotlight (yes, already!)

The Michael E. McGoldrick Foundation is awarding full scholarships of \$100,000 each to outstanding Colorado and Washington students who are passionate about making the world a better place. This is the third year of the MEMScholars program, and they're looking for students with BIG dreams and the character to achieve them! Michael was passionate about education and adventure, and he would have loved to personally encourage each applicant to pursue their dreams with curiosity and passion.

Visit www.memscholars.org for complete details and the application.

WHO THEY'RE LOOKING FOR: Students who demonstrate:

- Strong character and high ethics
- Genuine concern for their environment and community
- Intellectual curiosity about the world around them
- Big ambitions to create positive change

KEY DATES:

- Applications are open and Round 1 closes October 15th
- Awards announced: March 2027

Exploring Fly-In Programs and Visit Experiences for Students

Fly-in programs offer a unique opportunity for prospective students to experience campus life firsthand. These programs, typically sponsored by the institution, are designed to provide an immersive experience that goes beyond the traditional campus tour. They often are for students from underrepresented backgrounds, first-generation college students, or those who may not be able to afford a visit to campus on their own.

To learn more about Fly-In Programs, click [HERE](#).
