Bridges school and home communities to support family engagement, equity, and essential community needs.

- Community Resource Connections
- Family Outreach & Partnership
- Bilingual Support & Advocacy

☀️ SERVICES OFFERED

Classroom SEL Lessons

School-wide Social-Emotional Learning (SEL) instruction delivered in every classroom. Topics focus on empathy, emotion regulation, friendship skills, decision-making, and growth mindset.

Small Group SEL Skills

Targeted, supportive small group sessions conducted during the school day. Some examples of past groups include social skills, emotional self-regulation, anxiety management, resilience, and navigating friendships.

Individual Counseling

Short-term, confidential one-on-one counseling support to help students navigate personal, social, or emotional challenges, helping them stay safe, focused, and ready to learn.

Connections to Community Services

Linking PPES families with local community agencies for basic needs (food, clothing, housing assistance), medical/dental care, mental health counseling, and specialized resources.

How to Access Support & Connect With Us

Services can be requested by parents, teachers, school staff, or through self-referral by students. We work collaboratively with families to ensure every child gets the support they need. Feel free to email any team member directly!
