A Note From Home & School

On behalf of the Nazareth Home and School Organization, welcome to the 2026-2027 school year.

The Home and School Organization is a group of parents that facilitates raising money to assist our administration and faculty in providing the best education possible for our kids. Additionally, we help to make our kids' educational experience a little more fun and entertaining! The funding for the Home and School projects comes primarily from the concession stands for various sports and activities.

In order for our organization to be successful, the hard work and dedication of each NISD parent is required. This book informs you of when your scheduled time is to work at either a concession stand or event.

If it is not possible for you to work at your assigned time, please either exchange time with another set of parents or contact one of the chairmen as soon as possible.

****Also, we are asking that you please help us ensure the safety of everyone by not bringing children into the work areas during your shift. Most of the areas are limited on space and can become very busy. Therefore, it is best if you have other arrangements for your child/children during your shift.***

The Home and School Organization meets several times throughout the school year. You will be notified of when and where the meetings will take place. We welcome and encourage all parents to come to the meetings and get involved with the Home and School Organization.
