Dear GCIT Families,

You recently received a letter informing you that GCIT would no longer report student's class rank and GPA. After further review and consideration, GCIT has reconsidered this decision and will continue to report GPA for class rank and other college-related purposes.

Our valedictorian and salutatorian will also be selected using this process and will be given the opportunity to serve as our commencement speakers.

We apologize for any confusion or concern the previous notice may have caused and appreciate your understanding as we work through this process.

Thank you for your continued support of GCIT.

Sincerely,
Dr. Susan E. Heiken
