

Dear Parents,

FACTS Grant & Aid Assessment will conduct the financial need analysis for Xavier High School during the 2026-27 school year for the 2027-28 academic year. Families applying for financial aid will need to complete an application and submit the necessary supporting documentation to FACTS Grant & Aid Assessment. Applicants can apply online by clicking the FACTS link at www.xavierhs.org/affordingxavier or go to online.factsmgt.com/signin/3FM70. Just a few hints as you start the FACTS Grant & Aid Assessment application process:

- On the FACTS application, “applicant” refers to a parent/guardian. “Co-applicant” refers to another parent/guardian residing in the same household.
- Families applying for the Class of 2031 must apply by December 4, 2026 and submit all documentation no later than December 11, 2026. Upload copies of your 2025 personal and business (if applicable) Federal tax forms, 2025 W2s, and all supporting tax schedules, after you submit the application.
- Returning families can start applying February 11, 2027, and must upload the 2026 personal and business (if applicable) Federal tax forms, 2027 W2s, and all supporting tax schedules. The application is due April 15, 2027. All documents must be submitted to FACTS by April 22, 2027.
- Currently enrolled families applying for an applicant in the Class of 2031 should only submit one FACTS application prior to the December 4, 2026 deadline using 2025 financial documentation. Please list all students currently attending Xavier and applying to Xavier on the same application.
- Copies of supporting documentation for Social Security Income, Welfare, Child Support, Section 8 assistance, Food Stamps, Workers’ Compensation, and TANF are also required.
- All families must submit two most recent pay stubs (if earning W2 income) and a most recent rent receipt, rental agreement, or mortgage statement.
- The application fee is \$40. On a positive note, you can select any school that accepts FACTS at the same time as you apply for financial assistance to Xavier. You will simply submit one application and select multiple schools.
- All divorced or separated parents, regardless of custodial status, must submit separate FACTS applications. Xavier will link the applications once both applications are submitted.

The application can be completed on a computer or smart phone. All documentation can be uploaded in .pdf or .jpeg format online. Please **do not erase** Social Security numbers from your documentation. If you have questions or concerns about the application process, you may speak with a FACTS Customer Care Representative at (866) 441-4637.

Sincerely,
