

REFERENDUM PROJECT UPDATE

AUGUST 2026

Summer construction season is wrapping up

The School District of Washburn is entering the final week of summer construction. Finishes are rapidly taking shape throughout the MS/HS building. We are now in the final stretch to ensure spaces are refreshed and ready for the return of students and staff.

- West side foundation waterproofing complete and fresh concrete pedestrian sidewalks poured.
- Renovated west stairwells with new flooring and paint.
- Existing aluminum windows have been replaced with new, modern aluminum windows.

- English & Business Classrooms: Modern vinyl composite tile flooring installed and fully polished, ceiling grids set, LED lighting installed and storage units set.
- Science Classrooms & Labs: Reinstalled lab workstations with updated built-in plumbing fixtures, fresh wall finishes and flooring.
- Art Room: New composite tile flooring, dropped acoustical ceiling, freshly painted walls, perimeter storage and cabinets installed.

REFERENDUM PROJECT UPDATE

AUGUST 2026

- **Library Media Center:** Transformed into an open learning hub featuring Castle Guard red accent walls, updated flooring and wall finishes, as well as new lighting.
- **Cafeteria:** Updated dropped acoustical ceilings, rebuilt ceiling soffit and updated lighting throughout.

- **Technology Education Shop:** Freshly painted walls and exposed ceiling structure throughout, ready for equipment placement.
- **Music/Band Room & Storage:** New finishes throughout including modern vinyl composite flooring, new doors/hardware, newly painted walls & painted exposed ceiling structure.
- **Staff Spaces:** Renovated staff break room, mail/copy room, and updated kitchen and storage.

UPCOMING FOCUS AREAS

1. **Media Center:** Finish painting, installation of casework and furniture.
2. **Ceiling Tile Drop-In:** Finish installing ceiling tiles and the new dropped acoustical ceilings in the lower-level.
3. **Final Equipment Unpacking:** Moving student furniture, desks, and technology hardware back into classrooms.
4. **Deep Cleaning:** Comprehensive floor polishing and dust removal before school is officially back in session.
