A message from Mr. Bomar, Assistant Principal...

As we prepare to open our doors and begin a new school year, I want to extend a warm welcome to all of our students and families. Whether you are joining us for the first time or returning for another year, we are excited to have you as part of our WASD family.

To our students: Come ready to learn, grow, try new things, and make this year your best one yet. Remember that you do not have to be perfect—you just have to be willing to learn, make mistakes, and keep moving forward. Your teachers, counselors, administrators, and entire school staff are here to support you every step of the way.

To our parents and guardians: Thank you for trusting us with your children. We recognize that education is a partnership, and your support plays an important role in your child's success. We encourage you to stay connected with us throughout the year, ask questions, celebrate your child's accomplishments, and reach out whenever we can be of assistance.

Welcome back, Wilson Area Intermediate School! Let's make it a great year!
