CLASS RANK

Weighted final course grades are used for class rank, and students are ranked on a 4.0 scale. AP courses, eligible dual enrollment courses, and PLTW courses, earn 1 extra quality point and Honors courses earn .5 extra quality points.

A NOTE ON CLASS RANK

Apex Friendship High School maintains a large student body, wherein many of our students challenge themselves with honors and advanced placement coursework. This is evident in our class rank, wherein a 4.0 student will sit within the top 46th percentile of their class, rather than the top 10th percentile at a different school.

ACADEMY OF ENGINEERING

The Academy of Engineering & Advanced Manufacturing is a small learning community within AFHS. This rigorous four-year program provides a cohorted sequence of engineering and advanced manufacturing courses designed to prepare students for challenging post-secondary opportunities. Academy English and Science courses incorporate engineering concepts through interdisciplinary, Project-Based Learning (PBL) experiences that emphasize critical thinking, problem-solving, and collaboration. Opportunities including industry site visits, internships, and the senior capstone project provide authentic, real-world experiences while strengthening communication, teamwork, and professional skills. On student transcripts, participation in the Academy is reflected through enrollment in Project Lead the Way (PLTW) courses.
