1. Driving to school and parking a car on the MAS campus is a privilege granted to approved students beginning in grade nine (9).
2. If a student driver violates the Student Driver Rules, the Student Code of Conduct or any directive of a MAS administrator, the privilege to park on campus may be revoked.
3. Proof of insurance must be kept in a student's vehicle at all times.
4. If school officials have a reasonable suspicion that a weapon, any illegal substance as defined in the Student Code of Conduct, or anything endangering the health and welfare of others is stored in a student vehicle, the vehicle may be searched with the student present.
5. If a student loses parking privileges and parks on MAS campus nonetheless, the car may be towed, and the student/parent will be responsible for all related expenses.
6. Parking is only permitted in designated areas on MAS campus.
7. Students may park on MAS campus only during regular school hours or during school sponsored activities.
8. MAS is not responsible for theft or damage to student vehicles. Students and their parents/guardian are responsible for all damage and injuries caused by the student driver while on MAS property.
